FIREMEN SEARCH THE DEBRIS of the fire-swept apartment building in Montreal for more bodies after disaster struck following an explosion. (UPI Telephoto)

Flames Sweep Montreal Building

At Least 20 Feared Dead In Apartment Flash Fire

MONTREAL, Que. (AP) — Fire that may have started from an exploding gas stove and swept through an old brick apartment building was believed today to have claimed at least 20 lives.

Some of the 100 tenants and occupants died screaming as the blaze flashed from apartment to apartment early Sunday—so fast that a fireman said it was “like turning on a lot of switches.”

Others jumped from third and fourth story windows. One man threw his 5½-year-old son out of a third story window into some bushes. The boy was only slightly injured.

Witnesses told of seeing a mother and her new baby appear at a window and then disappear into the flames.

Investigators dug grimly into the ruins of the four-story building in their quest for bodies. Only eight bodies had been recovered, and only three of those were identified.

Police issued a list of 13 missing persons believed to have been in the building. But apartment dwellers said at least seven more persons were holding a party in one apartment before the fire.

Police expressed uncertainty about the final death toll until all the regular occupants—about 100 persons including several night club entertainers and recent emigrants from Europe — had been accounted for.

Detective Capt. Cecil Rowe, head of the arson squad, said preliminary indications were the fire was caused by a gas stove explosion on the third floor. He said a gas stove, with all its valve controls open, was found in the ruins.

The building on dead end St. Mathieu Street, was known as the Oldfield and stood on a cliff overlooking a string of railway tracks 50 feet below.

Those who managed to get out of the burning building said they were too stunned to recall precisely what happened.

Edgar Eisenbraun, 37, opened the front door of his third-floor apartment when he heard the screams.

“Flames came in at me. I opened the cupboard. Flames came at me. I threw my son out of the window. I aimed for the bushes and he landed in them.”

His hair singed, Eisenbraun said his wife jumped and was taken to a hospital for treatment of fractures.

It was the third major blaze in three years at the Oldfield.

U.S. Court Asks Steps On Integration

ST. LOUIS (AP)—The U.S. 8th Circuit Court of Appeals directed today that the Little Rock, Ark., School Board take affirmative steps to accomplish integration as previously ordered by the courts.

The three-judge court vacated an order by Arkansas Federal Dist. Judge John E. Miller, who dismissed an application for an injunction against the School Board.

The case was remanded to Judge Miller's court.

Judge Miller was directed to enjoin the School Board “from taking any further steps or action without the approval of the District Court to transfer possession, control or operation, whether directly or indirectly, of any of the senior high schools or any other property” for operation of segregated schools.

Manslaughter Charge Filed In Pike Tragedy

NORWALK, Ohio (AP)—A manslaughter charge has been filed against the lone survivor of a head-on collision on the Ohio Turnpike in which seven persons were killed.

The charge against John M. Hines Jr., 41, an employee of a Detroit dry cleaning shop, was filed in Mayor's Court at nearby Milan, the Ohio Highway Patrol said.

Erie County Prosecutor William Didiel said the case would be presented to the grand jury Wednesday.

Hines told the patrol a woman companion was the driver of the car that sped eastward in a wrong lane. Patrol Cpl. George E. Little, said, however that enough evidence had been gathered to prove that Hines was the driver.

Hines has a record of a dozen arrests for traffic violations.

Experiment Proves Costly Youth Draws Fine Of \$600 For Altering Car Licenses

An 18-year-old East End youth was fined \$600 and costs today in Municipal Court for altering a 10-day license tag and application and changing the birth date on his Pennsylvania operator's permit.

Steve Uzilio, 2136 Harvey Ave., formerly of Midland, was fined \$500 and costs by Judge George L. Brokaw for altering the application and 10-day license plate and an additional \$100 and costs for changing the birth date.

He was arrested Saturday night on Harvey Ave. by Patrolman Floyd K. Heddleston.

Uzilio had changed the issuance and expiration dates on the tag and application from Oct. 27 and Nov. 6 to Oct. 29 and Nov. 8, the officer said. However, one date on the application remained unchanged.

He also changed his birth date on the operator's permit from

Sept. 1, 1940, to Sept. 1, 1939, the officer said.

The state law provides a minimum fine of \$500 for “altering, changing or defacing the distinctive number or identification mark manufactured under the authority of the director of highways.”

A fine of up to \$500 can be imposed for displaying or possessing an operator's or chauffeur's license knowing it to be fictitious or to have been canceled, revoked, suspended or altered. Jail terms also can be imposed for both offenses, the law provides.

Elsie M. Thomas, 919 Bank St., cited Wednesday by the State Highway Patrol for reckless driving after an accident on Route 7, was fined \$25 and costs today.

Wellsville, forfeited an \$11 bond on a charge of crashing a traffic signal at E. 5th St. and Broadway Sunday night.

Rescue Hopes Dwindle For Trapped Cat

ATLANTA (AP)—A 2-year-old cat named Tennie has been trapped for eight days now in a deep, narrow crevice between two downtown Atlanta buildings.

Authorities fear she may never be rescued.

Tennie is lodged in a hole 30-feet deep between two concrete walls less than 4 inches wide.

Her master, Clarence Coursey, 67-year-old retired restaurant operator, drops food down the hole regularly.

Nobody knows how the cat happened to fall into the hole. Coursey lives in a small hotel room nearby.

Firemen, policemen and members of the Humane Society all have made unsuccessful rescue attempts.

The Rev. Tom Bradley cut a hole through a basement wall and almost reached the trapped animal.

“She looked to be only three or four feet away from my hand but she couldn't get to me,” he said.

Coursey has the cat's mother, Prissy, to comfort him but he's still mighty upset.

“I'd go hungry before I'd let Prissy and Tennie suffer for anything,” he said. “But Tennie is gone, I'm afraid, forever . . . And I can't do anything to rescue her.”

Jordan King Claims Arabs Attack Plane

Tells People How He Was Forced To Halt Vacation Trip

LONDON (AP)—Jordan's King Hussein told his people that jet fighters of the United Arab Republic attacked his plane over Syria today and forced his return from a vacation flight to Europe.

In a dramatic speech on Jordan radio, monitored in London, Hussein said the U.A.R. planes attempted to force him to land in Damascus.

The Ann Landers column begins today on Page 9. Be sure to read it and the articles which will follow daily, except Saturday, in The Review.

Instead, he said, he flew back toward Amman, but was attacked six times before he reached the border.

The attacking planes continued the raid over Jordanian territory, the King said, but then turned back.

Hussein said he has summoned a special parliamentary session for Tuesday.

Hussein said the jets, described as Soviet-made MIGs with U.A.R. markings, first attacked his plane 15 miles from Damascus. The King was piloting the twin-engine Jordan air force plane.

He returned to Amman two hours after leaving and immediately summoned his Cabinet.

According to an announcement in Amman before the King's departure, Hussein himself was piloting the plane—a twin-engine Jordan air force plane.

There was no report on whether the plane had been damaged.

The MIGs, described by the Jordanian announcement, presumably were among those supplied by the Communist bloc to the United Arab Republic.

Youths Jailed In Damage To Marble Board

Three Wheeling youths were fined and jailed at Chester Saturday afternoon after they were arrested in a tavern for damaging a pinball machine by boring holes in it with a hand drill.

John Raleigh, 20, along with Jerry Vermillion, 20, and Robert Vermillion, 22, brothers, were fined \$25 and costs each and given 10-day sentences in the Hancock County Jail on charges of malicious destruction of property.

The trio pleaded not guilty at the hearing before Squire Eugene Allison of Chester, but were fined and jailed and ordered to serve an additional 10 days unless the fines are paid.

Hancock County Deputy Sheriff Ed Frankovich arrested the youths in the 600 Bar on Carolina Ave., owned by John Ludovici, where they had drilled into the pinball machine in an apparent effort to disable the functioning of the machine, authorities said.

The youths were not after money, but were apparently seeking to have the machine provide free games, one authority said. The hand drill was found under a towel under the bar.

Vanport Child, 9, Dies As Boulder Runs Away

BEAVER — Stanley Garnett Christie, 9, of Van Buren Homes, Vanport, was killed Saturday at 5 p. m. when a boulder broke loose in a sand hole in a gravel bank near the Beaver Sand Co.

Two brothers and another playmate were playing in the hole with him. They were David Christie, 14, hit by the boulder but not seriously hurt, and Patrick Christie, 11, and Lynn Hughman, 15, who were unhurt.

Stanley, who was carried home by his brother, David, later was pronounced dead of head injuries on arrival at Rochester General Hospital.

Distress Signal Reported From Plane Carrying 36

Foreign Military Bases Would Go

Russia Presents 'Price' For Attack Warning Plan

GENEVA (AP)—Russia today demanded sweeping nuclear disarmament and elimination of foreign military bases as its price for accepting an international warning system against surprise attacks.

Russian Deputy Foreign Minister Vassili Kuznetsov opened an East-West conference on prevention of surprise attacks with a thinly veiled denunciation of American foreign policy.

In his attack, Kuznetsov said the policy of “positions of strength and the brink of war” was mainly responsible for the fear of surprise attacks.

This fear, he declared, could be eliminated only by complete nuclear disarmament, reduction of conventional arms stockpiles and military forces and abandonment of military bases on foreign territory.

The five Western nations represented expected to participate in a technical conference devoted to feeling out the capacity of the two sides for launching a surprise war, and to see if there is the technical means of preventing such surprise. They expected to engage in no political problems.

The five-week meeting, in which the Soviet bloc also is represented by five countries, could prove to be a fateful international card game, with each side gradually revealing a bit of its hand in the secret weapon category, especially missiles and bombers.

In his attack, Kuznetsov said the policy of “positions of strength and the brink of war” was mainly responsible for the fear of surprise attacks.

This fear, he declared, could be eliminated only by complete nuclear disarmament, reduction of conventional arms stockpiles and military forces and abandonment of military bases on foreign territory.

The Western delegates are not

empowered to conduct disarmament negotiations or even discuss a possible future treaty for the prevention of surprise attacks.

Their view is that such a treaty would be negotiated at a later political conference if the experts agree a warning system is technically feasible.

Speaking for the five Western nations, U.S. chief delegate William C. Foster avoided all reference to political matters. He urged the conference to stick to the purely technical consideration of modern weapons and the means of detecting planned surprise blows.

The United States, Britain, France, Italy and Canada represent the North Atlantic Treaty powers, and Russia, Poland, Czechoslovakia, Romania and Albania the Soviet bloc.

6 Americans Are Aboard Missing Ship

Portuguese Craft Radioed Earlier Of Forced Landing

LISBON (AP) — A U.S. Navy search plane today reported picking up a distress signal off Cape St. Vincent where a Portuguese flying boat is missing with 36 persons on board, including 6 Americans.

Lt. George Beaver, pilot of a rescue plane, reported hearing the signal but said it was so faint and

garbled that he could not make it out.

Beaver said the message was picked up on the international distress frequency about 180 miles west of Cape St. Vincent on the southern tip of Portugal.

Beaver said he sighted oil in the area but long low sweeps over the tossing waves disclosed nothing more—no sign of wreckage or life rafts.

This was the spot where the pilot of a twin-engine Portuguese flying boat bound for the resort island of Madeira radioed he was making an emergency landing in sea at 1:20 p.m. Sunday, an hour after leaving Lisbon.

The Portuguese director of civil aviation, Vitor Veres, said in a statement early today that “although the most contradictory information is being spread . . . all that is known is that . . . (the plane) announced it was going to make an emergency landing.”

The plane is believed to have gone down about 180 miles west of Cape St. Vincent, at the southern end of Portugal. It was on a flight from Cabo Ruivo Air Terminal at Lisbon to Funchal, a fashionable international resort in the Madeira Islands off the northwest shoulder of Africa.

The six Americans: Leon Lazarus Kohlmann, New Orleans, president of a box manufacturing company, and his wife Jane; Louis Charles Slater, New Orleans, real estate salesman, and his wife Dorothy; Henry Hurd Rennell, 74, Southport, Conn., re-

Jury Will Visit Burbick Store

Lisbon Trial Begins For 3 Ex-Officers

A visit to the Burbick Hardware Store was slated today by a Commonwealth Pleas Court jury as the trial of two former officers and an ex-special officer, charged with burglary of the store, began at Lisbon.

A jury was being selected late this morning in the trial of Ira Cunningham and Robert Carroll, former policemen, and Jerry Raymond, one-time special officer, who were indicted in 1956 for burglary of the Washington St. store.

Prosecutor G. William Brokaw said no witnesses had been called for today, since it is expected the selection of the jury and visit to the store would take up most of the day's activities.

If possible, opening statements will be heard this afternoon, after the visit to the store's premises, otherwise the statements will not be heard until Wednesday, the prosecutor said.

The Courthouse will be closed Tuesday in observance of Veterans Day.

A special venire of 50 reported this morning for the start of the trial, the eighth in a series of police burglary trials stemming from indictment of five regular officers and two ex-special officers over two years ago.

Chester Cites 2 Taverns On Whisky Sales

Mural Bar, Stutz Bar Face Charges Filed After Police Raids

Two Chester tavern operators, cited Saturday night for illegal whisky possession and sale in quick raids by Chester police, face hearings Friday before Mayor Burton Ward.

Oliver Watson of Route 30 was arrested at the Mural Bar on Chester - Newell Rd. and Stanley Simcox of East Liverpool was cited at the Stutz Bar on Carolina Ave. at 6th St.

The raids were conducted shortly before midnight by Patrolman Harold David and Special Officers Audley Campbell, Ray Moore and Alonzo Brown.

Mayor Burton Ward said 15 bottles of whisky were seized in two places — eight at the Mural Bar and seven at the other tavern. The Mural Bar was hit about 11:45 and the Stutz Bar was raided about 10 minutes later.

Mayor Ward said he has been receiving complaints about the two places for the last few months. A raid was planned tentatively a week ago, but was postponed.

Arrangements were made again Saturday and Special Officer Moore visited the two places, purchasing whisky between 11 and 11:30 p. m.

Watson posted bonds of \$105 each on the two counts. Simcox did not post a bond as scheduled

Blast Wrecks Junior High In West Virginia

MORGANTOWN, W.Va. (AP)—A thunderous explosion ripped through an integrated junior high school in the small community of Osage four miles northwest of here early today.

No one was injured and there was no fire.

State police said the 2:15 a.m. explosion was set off deliberately, apparently with dynamite. The explosive is easily obtainable in Osage, a mining town of 400.

The school has 93 Negroes among its 400 pupils.

Charles Stevenson, superintendent of Monongalia County schools, did not rule out the integration issue as a possible motive but made light of it.

Integration here at Osage school has been going on for three years without incident,” he said.

State Police Cpl. W. B. Snodgrass and Sheriff Charles Whiston said they found a wire, apparently used to detonate the explosive, leading out a window to the rear of the building.

Snow Or Rain Awaited With Drop In Mercury

Today will be cloudy and windy with a high of 40-45, the forecaster said. Tuesday will be fair and warmer.

Dam 8 at Newell reported a quarter - inch of rain as a result of showers Sunday and early today. The high yesterday was 52 and the overnight low was 41.

Helps Refugees From East

Dominican Father Named Nobel Peace Prize Winner

OSLO (AP)—The Rev. Dominique Georges Pire, a Dominican father who has devoted years to helping refugees from Eastern countries, won the Nobel Peace Prize for 1958 today.

Father Pire, 48, heads an organization he calls Europe of the Heart. He is a Belgian, born in Dinant, a French-speaking city on the River Meuse.

The prize, worth \$41,227, was awarded by the five-man Nobel Committee of the Norwegian Parliament. As usual, the committee gave no reason for its choice, nor did it say which other names had been proposed.

The announcement winds up the award of prizes for 1958, made from a fund left by Sweden's Alfred Nobel, inventor of dynamite.

The Nobel ceremony is to be held in Stockholm Dec. 12.

When the award was announced, Father Pire was at the Sarte Dominican Convent of Huy, his city of residence.

His secretary, Miss I. Jolling, said: “Father Pire is doing a re-

Ike Outlines 5-Point Plan For Aiding Asian Nations

By MARVIN L. ARROWSMITH

SEATTLE, Wash. (AP)—President Eisenhower today set forth a five-point program of international economic aid for Asian nations. He pledged full United States cooperation in erecting "barriers against tyranny and the war which tyranny breeds."

The President put no over-all price tag on the program and he did not estimate this country's share of the cost. But he did call on the heavily Democratic new Congress to provide adequate—and additional—financial resources to help 700 million people in free Asia.

In speaking of tyranny he did not mention in so many words the threat of Communist aggression and economic penetration, but his meaning was clear.

Eisenhower outlined his aid plan in an address prepared for delivery at a meeting of top diplomats attending the 18-nation Colombo Plan conference on cooperative economic assistance for South and Southeast Asia.

The President urged the free world's better-off nations to join this country in carrying out this program for underprivileged countries. He said it is designed to "repel the tyranny of hunger as well as the tyranny of authority." But he also called on the Asian nations to be aided to develop cooperative sound measures of self-help.

Eisenhower recommended:

1. Expansion of international trade.
2. Wider sharing of technical skills, which he tabbed the bedrock of economic development.
3. Ever greater emphasis on private investment.
4. Greater provision for public loans on normal bankable terms—for projects such as highways.
5. Expansion of development financing to provide borrowers with greater flexibility regarding repayment terms.

The President noted that Congress last year created the development loan fund for such purposes. So far in two years about 700 million dollars have been provided, and the administration is planning to ask for a 225-million-dollar supplemental appropriation in January.

Eisenhower said the Colombo

nations have received more than half of the 700 million so far made available, and that they are asking further loans which exceed the resources on hand. The administration reportedly would like to put the over-all loan fund on a billion-dollar-a-year basis.

Eisenhower gave no clue to how much the administration will seek in economic aid for the Colombo Plan nations for the fiscal year starting July 1. In the year which ended last June 30, the United States gave an estimated 900 million dollars in all forms of aid to those nations. The amount for the current year probably will be about the same. Since 1950, when the Colombo Plan was set up, American aid has amounted to more than four billion dollars.

Fire-Damaged Tavern Asked To Make Repair

Chester authorities and the owner and operator of a Chester bar have received a recommendation from an assistant West Virginia fire marshal that the tavern, damaged in a fire earlier this year, be closed for repairs.

The recommendation that the first floor of the building housing the Mural Bar of W. Carolina Ave. be closed came from William Kern of McMechen, assistant state fire marshal.

Fire Chief Raymond Gibbs said he received a letter from Kern Saturday concerning the two-story concrete structure, the second floor of which was damaged badly in a fire in recent months.

Kern inspected the building, along with other structures in the city last month. Kern advised Chief Gibbs the first floor area should be closed and not used until "placed in good condition." He suggested the repairs be completed within 60 days of the notice.

Kern said the recommendation notice also has been mailed to John Ludovic, owner of the building, and Oliver Watson, operator of the tavern.

Garage, Auto Trailer Destroyed By Flames

A garage, an auto and a small trailer at the home of Walter Boyd of Highlandtown were destroyed by a fire at the garage Saturday night about 8, Salineville and Highlandtown firemen reported.

Cause of the blaze was undetermined. It burned the frame garage which housed the 1948 car and wooden trailer. The loss also included cans of paint in the garage.

Hubcap Theft Holds 4 Here

3 Fined In City Court In Weekend Arrests

Two brothers and another man, all from West End, were fined in Municipal Court today for the theft of hubcaps and a radio and a juvenile was turned over to Juvenile Court authorities.

Two charges were filed against Melvin Thomas Millward, 24, and Steve Millward, 23, both of 715 W. 8th St., while Malcolm Johnson, 20, of 950 Fairview St. was charged with the theft of a radio last Dec. 12.

Melvin Millward was fined \$25 and costs for the theft of two hubcaps from the auto of Herbert Anderson, 835 W. 9th St., while it was parked on W. 8th St., and another \$25 and costs for using an improper registration.

His brother Steve was also fined \$25 and costs for the theft of hubcaps and \$25 and costs for driving without an operator's permit.

Johnson was fined \$50 and costs for the theft of a transistor radio valued at \$25.41 from Montgomery Ward & Co. store last Dec. 12. He was implicated in the hubcap theft, police said.

The three men were arrested over the weekend by officers of the special service bureau. All three pleaded guilty.

Officers said the juvenile also was involved in the theft of hubcaps and admitted stealing a radio and camera in a burglary.

The auto was driven by Paul Hensley, 20, of R. D. 1, who rounded a curve too fast, officers said, and the car spun into a ditch, causing heavy damage to the 1952 sedan. Hensley was cited for reckless operation and is to receive a hearing before Mayor Shoub.

Robert Exton, 16, of 2114 Ohio Ave., escaped injury when his car skidded on a muddy spot of the Smiths Ferry-Calcutta Rd. Saturday night and overturned, the patrol said. The 1952 coach was badly damaged, officers reported. Charles R. Chaffin, 38, of 737 Midland Ave., Midland, was cited for improper backing after his car struck a parked auto along Westfield Rd. Sunday afternoon. The parked auto was owned by Clifford Icehower of Wellsville R. D. 1.

Chaffin is slated for a hearing before Mayor Shoub.

3 Area Residents Hurt In Hancock Road Crash

Three area persons were injured along with another from Frankfort Springs, Pa., in a traffic accident Saturday night on Route 30 near the Pennsylvania state line in Hancock County.

Treated at City Hospital for injuries received in the mishap were Bernard Allison, 25, of W. 7th St., Wayne Doak, 49, of Georgetown, Ronald Conkle, 18, of Lawrenceville, and Pat Ralston, 23, of Frankfort Springs.

The city motorist received an injured mouth, while Doak was treated for contusions of the head and Conkle for a laceration of the cheek and possible fractured nose. The Pennsylvania man was treated for a laceration of the forehead and an injured right ankle. All were later released, hospital authorities said.

Pennsylvania State Police and officers of the Weirton Detachment of the West Virginia State Police, in addition to Hancock County sheriff's deputies and Chester police, had no report of the mishap.

3 Motorists Fined \$60

In Lisbon Mayor Court LISBON—Three motorists were fined a total of \$60 and costs Sunday by Mayor John Todd for traffic violations.

Lewis Lantham, 26, of 221 Maple St. was fined \$25 and costs for failure to display warning devices. He was cited by State Highway Patrol.

Walter B. Crubaugh, 65, of R. D. 1 was fined \$25 and costs for reckless operation and Charles Eugene Cusick, 18, of R. D. 5 was fined \$10 for a defective muffler.

W. H. Hook, 31, of 222 North Pine St. was fined \$50 and costs for intoxication and disturbing the peace, with \$40 of the fine suspended if he pays for damage to a room he occupied.

Beaver Falls Man Dies

When Auto Strikes Pole BEAVER—Steven Tomich, 32, of Patterson Heights, Beaver Falls, was dead on arrival at Beaver Valley General Hospital in New Brighton early Sunday morning with injuries received when his car struck a utility pole at 3rd Ave. and 22nd St., New Brighton, about 2:28 a. m.

Tomich, who suffered a crushed chest, was thrown from the car, which skidded 191 feet down the street after hitting the pole. It was demolished.

His death marks the 20th traffic fatality in Beaver County in 1958.

A steel worker, Mr. Tomich is survived by a wife, two sons, his mother, two brothers and a sister.

Defeat Of Tax Hits Planning

City's Commission Calls Off Meetings

Defeat of the municipal income tax at Tuesday's general election has led to cancellation of future Municipal Planning Commission meetings, Don Eckert, chairman, said today.

Eckert said no meetings will be scheduled until the city can determine whether funds will be available to go ahead with the commission's investigation of a master plan.

The chairman also cited the lack of participation by some members.

A meeting scheduled tonight to hear the discussion of proposed master plan by James N. Porter and Robert F. Beatty, local architects, and a consulting engineer had to be canceled because not enough members were able to attend.

Mayor Fred P. Lawrence and Safety - Service Director Dan Maggiani will be attending a special meeting of City Council and some other members were not able to attend, Eckert said.

The commission has been conferring with several consulting engineers on the preparation of a master plan leading to the urban redevelopment of the city.

Revenue from the income tax would have paid the engineer's fee and after the plan was drawn the city would have qualified for federal aid in the redevelopment program, Eckert explained.

Boy, Girl Win Speech

Contests At Palestine

EAST PALESTINE—William Lindsay and Carolyn Dey, high school juniors, were named winners of two Prince of Peace declamation contests held Sunday.

Lindsay, son of Mr. and Mrs. Raymond Lindsay, 650 E. Martin St., spoke on "New Power for Peace" at the contest held at the Grace Lutheran Church. The alternate winner was Carolyn Stump, daughter of Mr. and Mrs. Kenneth Stump of Unity.

Carolyn Dey, daughter of Mr. and Mrs. R. H. Dey of Route 14, spoke on "Our Answer" at the competition at the Evangelical United Brethren Church. Marjorie Stump, a sister of Carolyn Stump, was alternate. The winners, who received bronze medals, will take part in the county contest Dec. 6.

State Chairmen Canvassed

GOP Ideas Vary On Comeback Plan

By JACK BELL
WASHINGTON (AP) — Republican state chairmen say unanimously their party will revive from the shattering impact of last week's election losses and make a strong comeback in 1960.

But their ideas vary widely on how to rebuild the GOP ranks decimated by severe setbacks in Senate and House contests.

An Associated Press canvass of 38 GOP state chairmen disclosed that some of them, mostly in the South, want their party to turn back to the conservative policies

of the late Sen. Robert A. Taft of Ohio.

Others want to revitalize the Republican organization, and its candidates, to modernize the party's appeal to the average voter.

Still others are confident that the Democrats, with their oversized congressional margins, will trip over their own feet and more or less let the Republicans back in by default.

Vice President Nixon, who is expected to command efforts to re-furnish the party, was picked by 20 chairmen in varying degrees of firmness as the leading candidate now for the 1960 GOP presidential nomination.

Suggestions for modernizing the party's setup came from two chairmen in states where the Republicans were able to turn the

Democratic tide and elect GOP governors.

Rhode Island Chairman William T. Broomhead said the Republicans have got to "strengthen everyday relations with people." In his state Christopher Del Sesto ousted Democratic Gov. Dennis J. Roberts as an aftermath of a 1956 ballot count controversy.

James F. Short of Oregon said the Republicans "have some adjustments to make." In his state Republican Mark Hatfield won the governorship while shunning the party label and publicly opposing the Eisenhower administration on its power policies.

There was a feeling among some chairmen that the Republicans need to turn back to more conservative policies. Some of them called for a strong fight against labor leaders, such as that which Sen. Barry Goldwater conducted in winning re-election in Arizona. N. Bryant James, Louisiana

chairman, suggested that the Republicans go back to what he called "the Taft school of thought." South Carolina's Greg Shorey said the GOP can win "if the conservatives roll up their sleeves and go to work."

In Indiana, where the Republicans took one of their worst beatings, State Chairman Robert W. Matthews said the GOP can count on the Democrats making trouble for themselves.

"The liberals will be in control over the country for the next two years and there will be so much heavy spending the people will be thoroughly disgusted," he said.

George W. Milias Jr., chairman in California, where the Republicans took a shellacking, reflected the optimism of most of his colleagues.

"If you recall," he said, "we were pretty badly smashed up by Harry Truman's election in 1948 and we came back pretty fast."

'Monster' Scares California Driver On Lonely Road

RIVERSIDE, Calif. (AP) — Charlie Wetzel saw something the other night that would get top billing in any cast of Hollywood movie monsters, and he was miles from the nearest theater—and the nearest bar.

Wetzel told police Sunday of driving along a lonely road near Riverside Saturday night when something jumped in front of his car.

"It had a round, scarecrowish

head," said Charlie. "The eyes were all shining like something fluorescent and it had a protuberant mouth. It was covered with scales, or leaves."

"It had a longer arm than anything I'd ever seen. It reached all the way back to the windshield and began clawing at me."

The terrified Wetzel said he stepped on the gas and sped off as the "thing" fell back with a gurgle.

Police thought Wetzel might have startled a vulture eating a dead rabbit on the road, but a check of the scene didn't even turn up a feather.

Science Shrinks Piles New Way Without Surgery Stops Itch—Relieves Pain

New York, N. Y. (Special) — For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids, stop itching, and relieve pain—without surgery. In case after case, while gently relieving pain, actual reduction (shrinkage) took place. Most amazing of all—results were so thorough that sufferers made

astounding statements like "Piles have ceased to be a problem!" The secret is a new healing substance (Bio-Dyne*)—discovery of a world-famous research institute. This substance is now available in suppository or ointment form under the name Preparation H. At your druggist. Money back guarantee. *Reg. U. S. Pat. Off.

Schools Plan 'Open House'

Industry, Ohio View Events Scheduled

Open house will be observed in the Ohio View and Industry Schools Wednesday night from 7:00 to 8:30, it was announced by Frank A. Meredith, supervising principal, at the monthly meeting of the Industry Township Parent - Teacher Association Thursday night in the Ohio View School.

Meredith said that parents and guests may tour the school for the first hour and the teachers will be available between 8 and 8:30 to confer with parents and display the children's work.

Mrs. Homer Paul, president, conducted the meeting. Committee chairmen gave reports.

Mrs. Louis Benek, co-chairman of the ways and means committee, and Mrs. Paul thanked everyone connected with the success of the school fair Oct. 11. Mrs. Charles Newcomb reported on the fall conference of the Beaver County Council held Oct. 25 in Baden. Other members who attended the conference included Mrs. Paul, Mrs. George Madish, Mrs. Steve Hazy and Mrs. Newcomb.

Miss Margaret Vetter, principal of the Marshall Road School in Monaca, illustrated autumn and winter scenes in a "chalk talk."

Mrs. Carl Jernberg, also of Monaca, played piano accompaniment.

The second grade of the Industry school and the combined fifth and sixth grades, of the Ohio View school had the highest attendance record. The next meeting of the unit will be held in the school Dec. 4, when the sixth grade mothers will be hostesses.

During Weekend Accidents

Ohio Traffic Claims 22 More Lives

By The Associated Press
Accidental deaths revealed the weather for bringing gloom to Ohio during the weekend.

As usual, traffic-connected fatalities led of 23 accidental deaths reported across the state, 22 were the result of traffic.

The toll increased sharply over last week, when the final figure was 13 deaths, all in traffic. Less than six hours after The Associated Press survey began at 6 p.m. Friday, 11 persons had been killed. Seven—including six members of a family from near Jamestown, N. Y.—died in the worst accident in the history of the Ohio Turnpike when one car, traveling eastward in a westbound lane, collided with another.

Another seven died Saturday,

and four more Sunday. Among Sunday's fatalities was the only one not attributed to traffic, the death of a little girl in a fire which destroyed a barn on the farm where she lived.

Friday night
A Jamestown, N. Y., family of six—Mr. and Mrs. George N. Bentley and their sons, aged 3, 12, 13 and 18 months—and Mrs. Claudia Brooks, 45, Detroit, an occupant of the other car, in a head-on collision on the Ohio Turnpike six miles west of the Norwalk-Sandusky interchange.

Harry Souder, 29, Wellston, when his station wagon and a trailer-truck collided at an Ohio 75 intersection.

Mrs. Esta Mae Caudill, 22, Portsmouth, when a car driven by

her cousin collided with another at a Portsmouth intersection.

William O. Ritter Jr., Bellefontaine, and Miss Mary L. Strinka, 23, Lorain, when their car went out of control on U. S. 30 south, about a half-mile east of Lima and rolled over about five times.

Saturday
Ray Birdwell, 39, Columbus, an Air Force reserve captain enroute to training at Clinton County Air Force Base near Wilmington, when his station wagon went off U. S. 62 north of Washington Court House and rolled over.

Jerry Penwell, 16, a Miami-burg High School sophomore, when a car he was driving failed to stop at the end of a county road.

Thomas Lees, 19, Norwood, when a pickup truck in which he was riding collided with a trailer-truck in Cincinnati.

Judy Hodge, 13, when a car her father was driving was hit by a skidding auto on U. S. 52 west of New Richmond in Clermont County.

Mrs. Goldie E. Kilburn, 51, Toledo, and Raymond R. Rozek, 19,

also of Toledo, when the car Mrs. Kilburn was driving sideswiped a truck, then collided with Rozek's near Toledo.

Billy Eugene Ely, 19, Reading, when his car went off a curve in Blue Ash (Hamilton County).

Sunday
Alice Rook, 11, Rt. 1, Sherrods-ville (Carroll County), hit by a car on Ohio 39 near her home. Miss Mary Nottingham, 21, Cleveland, when the car in which she was riding hit a parked car in Cleveland, bounced off and hit two moving cars.

Darlene Kirk, 6, of near Bucyrus, when a barn on her father's farm, in which she was playing, burned.

Christopher C. Lauhon, 61, Miller (Lawrence County), when he looked back to check on a chair he was carrying in a pickup truck, and the vehicle went off Ohio 324 about a mile south of Dundas in Vinton County.

John A. Peterson, 36, Cincinnati, when the car he was driving was involved in a three-car accident on U. S. 22, about six miles east of Lancaster.

Bringing Up A Family

By GARRY C. MEYERS

Keeping Child Out Of The Street

You can train your tot, 2 to 5, not to run into the street. Here's how: As soon as he begins to walk alone outside the house, budget your time so as to be with him whenever he is near the street. Have him take along a cart or wagon that he can turn to with pleasure after being frustrated in By Garry Meyers his urge to dash into the street. Stand within easy reach of him as he approaches the curb. If no car is in sight, let him step off the curb if he chooses. But as he does, seize him quickly, turn him over your knee and give him a few lusty smacks. Best time for this training is when he need not be heavily clad.

BRING HIM back from the street and draw his attention to his pull toy.

Of course, you could have held him by the hand and kept him out of the street. But this hardly would train him not to go into the street when he is alone.

Your purpose in letting him step down is to make him see he will have to take the consequences (pain) which you provide.

He's too young to understand the danger of being hit by a car, so you must provide him with safe, painful consequences.

If he tries to step down from the curb again, you must again

give him a quick smack on his fundament, saying "No" just once. The next time he tries it, you will be tempted to pull him back or to shout at him. Don't do either.

Make sure that the idea of pain connecting with stepping into the street unaided is so firmly fixed in his mind that he will not do it again.

Always after a spanking for this wrong act, draw his attention to his toy so that he will get satisfaction in contrast from the safe, desirable act.

KEEP UP this training for several days or until you are sure he will automatically keep out of the street.

But continue your vigilance even for several days thereafter, especially when he is near the street with another child who is not so well trained.

Apply this same principle to train this child to avoid other constant, known dangers and to make "No," uttered just once in new danger situations, effective.

My bulletin "First Steps In Training Tot In Safety" may be had by sending a self-addressed, stamped envelope to me in care of this newspaper.

Tuesday Services Set

For Ohio U. Professor

ATHENS, Ohio (AP) — Funeral services will be held Tuesday for Emmett Rowles, associate professor of physiology at Ohio University here and a member of the faculty since 1925.

Rowles suffered a stroke shortly after attending the Athens-Logan high school football game in Logan Friday. He died Saturday in an Athens hospital the day before his 59th birthday.

A native of New Matamoras, Washington County, Rowles received his bachelor's degree at Ohio U. and a master's degree from the University of Minnesota. He leaves a widow and three daughters.

31 Receive Benefits From Firemen's Fund

COLUMBUS, Ohio (AP) — Fifteen widows and 16 dependent children received benefits during the first year of the Volunteer Firemen's Dependents Fund, created by the last Legislature to replace local firemen's indemnity funds.

In a report for the period ending Oct. 31, State Auditor James A. Rhodes said the fund has a balance of \$285,048, and has members in 864 villages, townships and, in a few cases, cities. Payments totaled \$10,700.

Popular Sport

VICTORIA (AP)—Hon. Earle Westwood, British Columbia minister of recreation and conservation, says a recent survey shows there are 125,000 skiers in B. C. Of these 65,000 live in greater Vancouver.

Tag Day Planned By Youth Center

The Midland Hi-Spot Youth Center will hold its second Tag Day Friday instead of Nov. 18, Mrs. William Spisak, director, announced.

Permission to change to the earlier date was granted by the borough. Proceeds will go toward buying new drapes for the center's 24 windows.

About 247 students and guests attended the center after Friday night's Midland - Freedom football game. R. E. Steebner, Rotary

Club member, was the guest chaperone.

Regular chaperones include Mrs. Frances F. Shone, Mrs. Henry Suffoletta, Mrs. Ernest Gengarello, Mrs. Mike Ordich, Mrs. Walter Vellinoff and Mrs. Amedeo Gianvito. Mrs. Harry Henkin also served.

Next Friday, the center will be open from 9 to 11:45 p. m. for underclassmen during the Senior Class dance at the high school.

An interesting place to visit is Shakerstown, Ky., which was founded by the "Shakers" or, as they were first known, the United Society of Believers.

PTA To Hear Member Of Dystrophy Chapter

Mrs. John Stewart of the Beaver County Chapter of the Muscular Dystrophy Association will be guest speaker at the meeting of the Parent-Teacher Association of the South Side Schools Monday night in the elementary school near Hookstown.

She will screen a film, "The Other Half of the Team." Mrs. Jack Moore will be program chairman.

Business will be conducted by Charles Ryland, president.

Ann Landers

ANSWERS YOUR PROBLEMS

Dear Ann: I'm a sophomore in college and the prof is plenty tough. He mentions your column in class quite often and thinks you are okay.

Our next major assignment is to write 1,000 words on "Basic Requirements for a Happy Marriage." There's a lot of reference material around but it's not as up to date as I'd like.

You must have all sorts of books on the subject right at your elbow. I'll bet some of the mail on your desk at this very moment is just what I'm looking for — sort of horrible examples.

I'd surely appreciate it if you'd jot down about 1,000 words on the basic requirements for a happy marriage. It doesn't have to be in polished form, you understand, just a general outline will be handy. Thanks a lot, Dimples. — RUSTY.

Dear Rusty: All you want is for me to jot down 1,000 words? And you're willing to polish 'em up? Mighty noble of you, Buster. Are you sure you don't want me to type the theme on regulation paper?

Look, I pulled this same stunt on Will Durant 20 years ago, only the course was philosophy. He wouldn't go for it either. Like Will told me, there's a mighty fine library on campus and the information there will be plenty current. Be my guest. — Dimples.

Hear Both Sides

Dear Ann Landers: Our 11-year-

old son is not an angel but he always tells the truth.

The teacher sent him home from school yesterday in the middle of the afternoon. When I asked the reason for dismissal he said he had no idea. He insists he did nothing wrong.

The teacher is a crabby old maid and she's always had it in for my son. Last year she taught music and he had trouble with her then, too.

Why would a teacher be so cruel and sadistic to humiliate a child before his classmates this way? Please give me your views. — VEXED MOTHER.

When an 11-year-old is sent home from school in the middle of the afternoon "for no reason" — there's a reason. I suggest you go to school and learn what it is.

You don't help the situation by passing judgment before hearing the other side of the story. When a child is a minor nuisance in a classroom he's often asked to go sit in the hall or visit the principal's office. But the boy or girl who is sent home usually has had some major difficulty. By all means investigate and get the entire story before you summarily brand the teacher as cruel and sadistic.

December Romance

Dear Ann: Mother is 65 but young — appearing for her age. Everyone takes her for 10 years

younger. She makes her home with us and is a pleasure to have around.

Recently she met a widower, 72. She's with him almost every chance she gets and enjoys his company tremendously. He's a fine man, but the whole idea of people getting romantic at such an age is sickening to me.

Mother has a small income. She does all the cooking, helps with the cleaning and is an avid gardener. She has a full life with us and seems content.

The man has a small home, a private income and social security. I'm afraid before we know it these two will want to get married.

Please put your opinion in the paper so I can use it as a lever in case this thing gets serious. — E.H.

It sounds as if you don't want to lose a cook and gardener. There's nothing "sickening" about older people getting married and enjoying the evening of their lives together.

I hope you won't discourage your mother and make her feel foolish. Many older people who have lost first mates marry again and find happiness together. Give her your blessings and offer to throw the rice.

Ann Landers will be glad to help you with your problems. Send them to her in care of The Review, and enclose a stamped, self-addressed envelope.

Keep In Trim

Water Retention Slows Reducing

Discouragement is the greatest stumbling block to success in reducing. For this reason it is enormously helpful for reducers to be acquainted

with water swings in which periods of eliminating water often alternate with periods of water retention. Between the starting date and the finish line there will be irritating weeks in which no weight is lost.

As a general rule, the more excess weight you are carrying, the faster you can expect to reduce at the beginning of a diet. When the weight is far above ideal, there is apt to be considerable soft fat, and with this type of fat there may be more water stored. So when you start cutting down on food, an abrupt loss can result — perhaps 5 or 6 pounds the first week, and 4 pounds the second week.

PART OF this loss can be accounted for by the release of water from the tissues, part by actual fat.

However, initial weight loss is unpredictable. It's an aggravating hold up the registration of weight loss at the start of a diet or intermittently during the diet. The average time is ten days, but a discouraging weight plateau can continue for as long as 21 days.

Since water weighs more than the fat it has displaced, the scales could even register a gain. To gain on a reducing diet is almost more

than a dieter can bear! When this occurs, knowing the score on water retention can make the difference. Failure to scale down at the start is not due to any resistance on the part of the fat.

In long term reducing, it is helpful to know that water storage can occur at any time during the reducing period. During the menstrual cycle is a common period for water retention and the scales may show a 2 or 3 pound gain during this time.

A reducer from Florida, who has recently hurdled a water retention plateau, has written to share her experience with other dieters. "Thank you for being my morale builder during the most difficult part of my diet. This summer I made up my mind to reduce. I weighed 195 pounds for my 5 feet 6 and set my goal for 160 which is my best weight."

"I LOST THE first fifteen pounds quite easily but after that for about three weeks I couldn't lose an ounce! Then I saw your column explaining water retention and I felt encouraged. I continued the diet and sure enough the next week I lost 4 pounds. I was so happy I had stayed with the diet."

Friends, know that if you are cutting calories below the amount used, you are losing body fat. The water balance always adjusts. The best way to combat the tendency to store water is to lower the salt intake. Also, have a complete protein food at each of the three meals. Stay with the diet — you'll lose.

Send a long stamped, self-addressed envelope for "Hunger Control Diet." Address your request to Ida Jean Kain, in care of this newspaper.

The Women's Missionary Society of the Fairview Reformed Presbyterian Church met in the home of Mrs. Joseph George Thursday afternoon.

Mrs. George, devotional leader, conducted the meeting, in which election of officers took place. The new officers are: Mrs. Herman Cook, president; Mrs. Dave Laughlin, vice president; Mrs. George, secretary, and Mrs. Vern Watson, treasurer.

Plans were made for a coverdinner dinner Thursday, Dec. 4. Members will exchange Christmas gifts.

Mrs. Nancy George has returned to the Slippery Rock State Teacher's College after a visit with her parents, Mr. and Mrs. Joseph George of Fairview.

The first telephone exchange was installed at New Haven, Conn. on Jan. 28, 1878.

600 Attend Carnival

Held By Chester PTA

More than 600 attended the Chester Central School Parent-Teacher Association carnival Friday evening at the City Hall auditorium.

A bake sale, games, refreshments and various concessions were featured. Mrs. Guy Shilling was general chairman. The amount of proceeds will not be known until all bills are paid, she said. The funds will be used for PTA projects.

SOCIAL NOTES

(Continued from Page 8)

became interested in the temperance work.

"Thanks Giving" was the theme of devotions led by Mrs. Besse Guinn. She read Psalm 95, an article, "Thank You God" (Albert Edward Day), and offered prayer. A recording of hymns by Ernie Ford concluded the worship period.

Lunch was served by Mrs. Havelock assisted by her sister, Mrs. Sara Leiper, a guest, and Miss Isa Anderson.

A white birthday cake with blue candles commemorating the 10th anniversary of the UN was used as the worship center for the meeting of the WSCS of the First Methodist Church Thursday night in the home of Mrs. Julia Putt of 7th St.

The theme of the program studied by Mrs. Cora Nickels was "Decades of Human Rights." Clippings were read as follows: "Food Agriculture Organization in the Middle East," Mrs. Sara Miller; "FAO in Ethiopia," Miss Helen Bibbee, and "World Health Organization," Mrs. Nickels. The Bill of Rights was repeated in unison.

A talk on her experiences in an integrated church in Chicago and other phases of integration there was given by Miss Helen Hanahan of East Liverpool.

Mrs. Virginia Lewis, devotional leader, took Scripture from Isaiah 11:2-5, read a Thanksgiving article on William Bradford and closed with prayer. Business was conducted by Mrs. Nickels, president. A report on the rummage sale and "self-denial" dinner was given. The group made plans to serve the Ministers Book Club dinner in December.

The December meeting will be held at the parsonage, with Mrs. Robert Henthorn as hostess. Mrs. Clara Michaels will lead devotions and the program will be in charge of Miss Bibbee.

Wellsville Personals

Mrs. Grace Holliday of 8th St. has concluded a week's visit with her daughter, Mrs. Dolores Morgan of Butler, Pa.

Approximately 212 Bible chapters were read by members of the WWS of the Evangelical United Brethren Church during the month, according to a count taken at the monthly meeting Thursday night in the home of Mrs. Eva Price of Wood St. Mrs. Mary Ammon was hostess to the group.

A \$50 contribution was given to the church treasury. Mrs. Elmer Wickham, president, was in charge of business. Mrs. Willa Means, devotional leader, used Neh. 8:39-43 and Deut. 16:9-18 as the Scripture. Debbie Means repeated Psalm 100 and prayers were offered by Mrs. George Marsteller. Articles read were: "Thanksgiving Giving," Mrs. Wickham, and "Hiding Christians," Mary McBane.

Mrs. Ethel Davis was in charge of games, won by Rev. Marsteller and Mrs. Wilbur Thompson. Lunch was served by the hostesses' daughters-in-law, Mrs. Betty Ammon and Mrs. Geraldine Ammon.

250 Attend Dance Of Music Groups

Approximately 250 attended the annual "Harvest Hop" sponsored jointly by the Choir Parents Association and the ELHS Band and Orchestra Mothers Saturday night at Memorial Auditorium.

Members, guests and alumni danced to the music of Glenn Ross and his Rochester orchestra.

A harvest scene was featured, with bales of hay, cornstalks and pumpkins used as decorations on the gymnasium floor. Two buffet tables were set at the lower end with punch bowls on either side on a green cloth. An arrangement of fruit, vegetables and fall leaves centered the tables. Individual tables for the guests were set up on the floor.

The social committee included Mr. and Mrs. Don Burdick, co-chairmen, Mr. and Mrs. Frank Dawson, Mr. and Mrs. Bernard Swoger and Mr. and Mrs. Vincent Calcott of the Choir Parents and Mr. and Mrs. Vincent Gerace. Mr. and Mrs. William Dunn and Mr. and Mrs. Everett Croft of the Band and Orchestra Mothers.

According To Industry Magazine

Pint-Sized Homes Are More Costly

NEW YORK — Beware the pint-sized house. It is probably the most costly home you can buy. Why?

House & Home, professional magazine of the home building industry, offered the simple answer in a recent issue — an issue devoted to showing builders how to cut their own costs and so squeeze more quality and sales appeal into the homes they build. It is: "The smaller the house the more it costs per square foot. Space is the cheapest thing you can add to a house."

In urging home builders not to sacrifice space in a home, the magazine quotes Rudard Jones, director of the Small Homes Council at the University of Illinois, who points out: "That's one big reason why builders find it so hard to build good new houses for low income families. Making the house smaller takes value and comfort out of the house faster than it can take dollars out of the price."

"All your costs per square foot come down as the floor area goes up — the perimeter wall cost, the foundation wall cost, the door and window cost, the partition cost, the wiring cost, the plumbing cost. Even the slab and roof costs come

down for once the concrete mixer is there it doesn't take them much longer to lay a bigger roof."

AN EXAMPLE: When the size of an 8-by-12 room is doubled to 12-by-16, a builder adds only 40 per cent to its perimeter and much less than 40 per cent to its perimeter costs since no more corners (which are expensive) are necessary, no more doors (which cost much more than blank wall) and no more window openings. (The same window openings are just made bigger.)

Continues House & Home: "When you more than double the size of a small house by making it 32 by 40 feet instead of 24 by 28 feet, thereby adding 688 square feet to the original 672, here is how your costs per square foot come down:

"1. — Doubling the house adds only 41 per cent to the perimeter, only 42 per cent to the foundation wall, only 41 per cent to the gutter and probably less than 40 per cent to the interior partitions.

"2. — Doubling the house adds only three or four more doors, only two or three more window openings.

"3. — Doubling the house should add less than 50 per cent to the heating cost, because heat loss and duct cost vary mostly with perimeter and because a bigger furnace costs less per Btu to install.

"4. — Doubling the house should add much less than 50 per cent to the wiring bill even if the number of outlets is double, for the runs would be shorter and anyhow most of the wiring cost is for the kitchen — utility area.

"5. — Doubling the house should add much less than 50 per cent to the plumbing cost, for a second bath could use the same service line, the same vent, and the same sewer line, and because the rough plumbing for two baths back to back costs only 20 per cent more than the rough plumbing for a single bath.

"Furthermore, doubling the size of the house makes it much easier to save money by sizing the rooms to fit the components you buy. A 12-by-12-foot room is almost sure to cost less than a room 9 feet 8 inches or 11 feet 4 inches.

HOUSE & HOME cautions builders not to rob Peter to pay Paul by foregoing space to save money for labor saving appliances — or vice versa.

"Space is a bargain and so are appliances. They cost much less to install while the house is being built and FHA lets you sell a whole new \$14,000 house com-

Last Trolley Run
Was Turned Into
Big Family Affair

PITTSBURGH (AP) — A gaily decorated streetcar rolled through Pittsburgh streets for two hours Sunday but for the first time in 38 years Roy Anderson wasn't at the controls or collecting fares.

Aboard the chartered car some 60 relatives and friends chattered happily and congratulated Anderson on his retirement from the Pittsburgh Railways Co.

"This isn't my idea," smiled the portly Anderson. "If it weren't for my boys, I wouldn't be in on this."

The unusual tribute was planned for two months by Anderson's three sons: Robert, 30, a Cleveland bus driver; Donald, 23, a reporter from the Meadville (Pa.) Tribune; and Samuel, 32, a career soldier. It cost them about \$25 an hour.

"Anderson, who completed his last run Friday, said he was well satisfied with his career.

He met his wife, standing beside him as he spoke, on one of his runs in 1922.

"He always made me pay for the rides," said Mrs. Anderson. Roy was in uniform for the last run but he didn't take the controls. Helping his wife aboard, he said:

"I guess we'll be able to find a seat some place."

William Jennings Bryan made the celebrated "Cross of Gold" speech.

SIZE IS NO EXCUSE for stark design. A miniature dining area can be just as gracious as a full-blown banquet room. In this tiny nook between living room and kitchen, simplicity of design and furnishing has been coupled with the elegance of west coast hemlock wall paneling to make dining a memorable event. A built-in buffet, which doubles as a divider wall, makes table setting easy.

Dividers Called Answer To 'Tight Room' Problem

PORTLAND, Ore. — A million dollars and all the space in the world won't help you to decorate a home if you haven't the knack to use them properly.

People who bewail lack of resources are, more often than not, just deluding themselves, for short cash and small rooms have done a lot to mother some of the daring decorative schemes of today.

A minute-sized dining room, for instance, is nothing to wring hands over. It can be like a jewel — small, but rare and beautiful. The secret is to expand its space artfully with clean lines and simple furnishings.

Dividers rather than full walls are another answer to relieving tight space. For a tiny dining room, the four "walls" might be set up like this: on one side, a buffet unit contained in a head-height, freestanding cabinet masquerades as a wall, while another divider wall of matching height (six to seven feet) hides the kitchen sink from view.

On the third side, a window wall lets the dining area borrow in-

finite space from the outdoors, and the fourth side is left open so that living room and dining area extend into each other. This one completely open side, the open area left above the divider walls, plus the expanse of glass give a feeling of release to the tiny room.

Almost all the decorative scheme will be carried by the divider walls in this case, so choice of materials is very important. Since one of the walls is actually a cabinet, wood will be the easiest material to handle.

Something soft in color, rich in texture, and unobtrusive in grain pattern will prove the most successful. Tongue- and-groove panels of vertical grain west coast hemlock, a sophisticated among woods, would do an elegant job of decorating a pint-sized room. It should be finished with clear varnish or lacquer to retain its subtle champagne coloring and light tracings of grain.

Because the built-in buffet provides ample storage space for dinnerware and linens, the only furniture needed will be the dining set. A drop-leaf table will take

up the least space, and clean design, along Scandinavian lines, would be the most desirable.

Conversation pieces might include a hanging light fixture of contemporary design and something unusual in the way of a wall clock.

Best Quarter Due For Steel

26 Million Tons Seen Last 3 Months

CLEVELAND (AP)—Steel production in the last three months of 1958 will total about 26 million tons for the best quarterly output of the year, Steel magazine predicted today.

It said that mills would operate at an average of 74 per cent of rated capacity, compared with 54.1 per cent in the first two quarters and 60.1 per cent in the third.

Operations last week slipped half a point to 74.5 per cent, reflecting delays in automotive buying, poor demand for oil country goods and seasonal declines in construction items. Production totaled 2,011,000 tons—15,000 tons more than during the corresponding week of 1957.

Steel said strikes over local issues cut automobile production almost in half during October.

"Instead of assembling the 488,000 cars they had scheduled, automakers built only 259,000," the magazine said. "They've upped November's quota from 500,000 to 531,000 and will boost December's

output if sales reports are sufficiently encouraging."

The publication said the present goal of 510,000 cars for December, coupled with October production mean a turnout of 1,300,000 cars in the fourth quarter, or 10 per cent less than the 1,450,000 originally planned.

Steel said orders for construction equipment, machine tools, industrial furnaces and welding equipment have improved, but added that orders are slow for heavy electrical, mill, foundry and material handling equipment.

The current year has been disappointing for nonferrous foundries, but they look for better business volume in 1959, the metalworking weekly said.

"Second half orders show some increase over the first half's," it added. "Brass, bronze, aluminum and magnesium shipments dropped this year because of sharp curtailment of capital goods and consumer products output."

The magazine's price composite on steelmaking scrap climbed 33 cents to \$42.33 a gross ton last week.

Water Leaks Prove Costly

Home Should Guard Against 'Dripitis'

CHICAGO — Water leaks are expensive. A dripping faucet allowed to go unrepaired or unreplaced soon wastes more than a new one would cost.

The "bloop, beep" of dripping faucets can be heard in one out of 15 homes, it is estimated by the Plumbing - Heating - Cooling Information Bureau. Faucet "dripitis" is annoying as well as expensive.

The steady dripping of water on plumbing fixtures often causes a stain which is difficult, if not impossible, to remove.

Since it is usually the hot water faucet which is dripping, the waste of hot water causes unneces-

sarily high fuel bills for water heating.

Another important factor is the need for water conservation in many sections of the country. While the water table has been dropping generally in nearly all states, there are some sections where the drop has been especially severe.

Old leaking faucets that have given many years of service would be replaced with new faucets instead of repaired, the bureau points out.

Usually it is a mistake and poor economy to attempt to keep antiquated faucets in repair. Most old faucets have stems that are worn and seats that have been damaged beyond repair.

If your youngsters enjoy sweet sandwiches, make a filling of cream cheese with drained crushed pineapple, chopped dates or raisins.

How Can I ? ? ?

By ANNE ASHLEY

Q. How can I take the kinks out of yarn when reknitting a sweater, or similar article?

A. Wind the yarn on a skein, tie it together securely, wash it in lukewarm water, then fold in a towel and place in the sun to dry. The kinks will disappear.

Q. How can I keep and feed a turtle properly?

A. A turtle should be kept in an aquarium, in which there is plant life and sand. It should be fed vegetables, berries, and fruit.

Q. How can I avoid bluing streaks in the clothes after laundering?

A. Add a little salt to the blueing water, and this will not occur.

Builders Plan Concealing Of Phone Wires

Many leading builders estimate it will be only a matter of a few years before exposed telephone wiring is as rare as exposed electrical wiring.

Of new homes being built, one in seven has the hallmarks of special telephone planning.

Chief among these hallmarks is concealed wiring, where all phone wires are channeled out of sight behind walls, ceilings or floors. With all such wires hidden from view, the effect is neater and cleaner to a surprisingly greater degree.

In any home building or modernizing project, there are two methods of installing concealed wiring.

In one instance, the phone wires are placed along studs inside walls. In the other, the wires run inside the walls through conduits or raceways, which consist of almost any kind of pipe or tubing. The conduit method is especially suitable for larger installations.

Along with concealed wiring, it makes sense to plan for plenty of phone outlets that will lend flexi-

changed the championship picture.

They said it couldn't be done. But Sunday the Giants notched their second consecutive victory over a previously undefeated team. This time Baltimore's high-flying Colts felt the sting, as Charlie Conerly, the Giants major dome, engineered a 24-21 upset. The previous week New York ended Cleveland's unbeaten string with a 21-17 triumph.

New York's twin victories earned them a tie for first place in the Eastern Conference with Cleveland. The Browns were thumped 30-10 by Detroit. The leaders have 5-2 records.

The Colts' loss brought new hope in the Western Conference race to the second-place Chicago Bears, 24-10 conquerors of Green Bay. Baltimore, now 6-1, holds a one game lead over the runner-up Bears, 5-2.

In other games before a probable record turnout of 342,734 fans, Los Angeles took undisputed possession of third place in the western sector with a 56-7 drubbing of San Francisco. Eddie LeBaron passed for five touchdowns as Washington outscored Chicago's Cardinals 45-31, and Bobby Layne pitched four TDs as Pittsburgh defeated Philadelphia 31-24.

The largest crowd to watch a professional football game in New York — 71,163 — cheered as the Giants won it on Pat Summerall's 28-yard field goal with only 2 minutes 20 seconds remaining.

The Giants trailed 14-7 at halftime, but Conerly led the Giants on a 58-yard march culminated by a 25-yard touchdown toss to Kyle Rote to tie it. Frank Gifford's 13-yard end sweep put the Giants ahead 21-14. But George Shaw, replacement for the injured Johnny Unitas completed his second touchdown strike to Lenny Moore and again knotted the score. Then Summerall put the finishing touches on the upset.

Tobin Rote spearheaded a strong Detroit attack as he pitched three TDs, scored once himself and completed 17 of 30 aeriels for 246 yards. The Lions defense was no less important as Jimmy Brown, the league's leading ground gainer, was held to 83 yards, his lowest mark of the season.

Fullback Rick Casares and quarterback George Blanda, the Bears' kicking specialist, were responsible for the Bears' victory. Blanda, in his first appearance at the Bear helm, led Chicago to its first touchdown and later kicked a field goal. Casares broke it open in the third period as he raced 64 yards for a TD. Quarterback Billy Wade, throwing and running, headed the Rams' assault before 95,092, the day's largest turnout. It was the worst defeat administered the 49ers in the eight-year rivalry between the clubs. Wade chalked up four scoring passes and ran for another.

LeBaron the Washington master, leading the loop in average gain per pass, went to the air 23 times and completed 15 for 258 yards. Johnny Olszewski supplied the Redskins running game. The ex-Cardinal picked up 136 yards, 45 more than his former teammates made on the ground. Lamar McHan kept the Cards in the game as he rifled four touchdowns.

Quarterback Bobby Layne continued to spark the Steelers, he hit four times for TDs. Three scoring aeriels went to Tom Tracy, who caught five passes for 116 yards.

Top 1958 win payoff during Chicago's Balmoral meeting at Washington Park was the result of Le-cama's victory on May 17. The return was \$249.80 for \$2.

Hockey Race Looms As One Of Tightest

By The Associated Press
The National Hockey League season is shaping up as one of the tightest races in recent years.

Only six points separate the league-leading Montreal Canadiens and the last-place Toronto Maple Leafs today with the other four clubs tightly bunched.

The Maple Leafs capped a successful weekend by blanking the Detroit Red Wings 2-0 Sunday night after they had throttled the Boston Bruins 5-3 the previous evening.

The runnerup Bruins, meanwhile, missed a golden opportunity to climb into first place, losing to the New York Rangers 5-1 Sunday.

New York edged Montreal 6-5 Saturday night. In a nationally televised game Saturday afternoon, the third-place Chicago Black Hawks nipped Detroit 4-3.

Toronto's triumph over Detroit was notable in many ways. Dick Huff scored both of the Leafs' goals while goalie Ed Chadwick registered his first shutout of the campaign.

The victory was Toronto's first in two seasons on Detroit ice. The Rangers broke up a close game with two goals in the middle period by Andy Bathgate and Wally Hergesheimer against Boston.

342,734 Fans Watch Six Pro Grid Games

By The Associated Press
Professional football probably had its greatest turnout of fans Sunday with six games reporting a total attendance of 342,734.

The figures exceeded the previous Sunday's 326,431. That day NFL Commissioner Beft Bell reported a paid attendance in excess of 291,000 for a single day high. No figures were available on Sunday's paid attendance.

The largest crowd Sunday was at Los Angeles where 95,082 saw the Rams defeat San Francisco. Detroit and the Browns played before 75,563 at Cleveland. And a record New York crowd of 71,163 was at Yankee Stadium for the Giants-Colts game.

Celtics Drop 2 More Tilts

By The Associated Press

The Boston Celtics bolted away to a whirlwind start last year easily to wrap up the Eastern Division title of the National Basketball Assn. But it's an entirely different story this season.

The Celts, hampered by a foot injury to star Bob Cousy, bowed twice over the weekend for their third defeat in five outings. In 1957-58, Boston won its first 14 games and didn't lose its third until the 22nd start.

This season the Celtics are resting in last place with New York, Syracuse and Philadelphia leading them at this early stage.

Boston lost to Detroit 136-133 in a nationally televised game Sunday afternoon. This came on the heels of an 87-84 setback at the hands of the St. Louis Hawks Saturday night.

Syracuse completed a weekend sweep with a 101-97 conquest of the Minneapolis Lakers Sunday night after topping Philadelphia 103-98 Saturday.

The Warriors, however, regained winning ways by bowling over hapless Cincinnati 106-92 Sunday. New York remained atop the Eastern Division with a 108-100 triumph over Minneapolis Saturday to boost its record to 5-1.

A 45-point scoring harvest by Gene Shue sparked Detroit over Boston. Shue collected 16 points in the second quarter as the Pistons moved to a 79-55 halftime bulge.

Johnny Kerr sank a hook with two minutes left to put Syracuse ahead and then converted a pair of free throws against Minneapolis.

Rookie Elgin Baylor starred for the Lakers with 34 points.

Paul Arizin, the jump-shooting specialist found the range for 42 points—26 in the first half—for the Warriors against the Royals.

Girard Coach To Quit

GIRARD, Ohio (AP)—Three straight losing seasons at Girard High School is enough for football coach Al Mauricourt. On the staff at the school since 1953, the coach says he will resign after Saturday night's game with Warren St. Mary's. Going into the final game, Mauricourt's teams have won 25, lost 24 and tied 6.

Detroit Lions Come Up With Big One Again

By CLETE JONES

CLEVELAND (AP)—Good seasons and bad the Detroit Lions almost always play one great game — against the Cleveland Browns.

The New York Giants in the Eastern Conference, Coach George Wilson of the Lions observed:

"Our players feel they can beat the Browns. I think this psychological factor was very important."

This season, the passing of Detroit's Tobin Rote has lacked the zip and accuracy which kept him among the National Football League's best for nine years.

Sunday, however, he rattled the Cleveland defenses with aeriels—three for touchdowns.

How explain Rote's resurgence or the Lions defense, which until Sunday was weakest in the league? Or Jim Martin's three field goals of 48, 43 and 37 yards?

Going into the game Martin, a former Brown, had kicked only two field goals in 10 tries. He didn't miss against the Browns.

The defense, headed up by Joe Schmidt, middle linebacker and Lions' captain, stopped the Browns almost in their tracks. The Browns penetrated Detroit territory only three times.

Jim Brown and Bobby Mitchell, who are one-two in the league's rushing department, could gain only 122 yards between them. That's 32 yards less than Brown averaged in the first six games of the season. He gained only 83 yards in 21 tries against the Lions, running his total to 1,011 yards, a new Browns' rushing record.

Said Coach Paul Brown of Cleveland:

"This was as sound a defeat as we've taken in some time."

It was the worst since last year's championship game. The Lions posted the Browns 59-14 in that one.

A knee injury has hampered John Henry Johnson, Detroit's fullback, much of this season. But Sunday, he kept the Browns from concentrating on Rote with his charges up the middle. In eight attempts he racked up 53 yards, an average of 6.6 yards a try.

And he threw some vicious blocks protecting Rote as he passed. With plenty of time to pick receivers, Rote hit on 17 of 30 passes, good for 246 yards.

Dave Middleton snared one Rote pass for 46 yards, the longest play of the game. Touchdown passes went to Howard Cassady, Gene Gedman and Jim Gibbons.

None of Rote's passes was intercepted.

The turning point of the game, Brown said, was Detroit's on-side kick in the second period. Cassady booted a short kick to the Browns' 46-yard line and Halfback Dave Whitsett fell on it giving Detroit the ball. Seven plays later the Lions scored and took a 13-3 lead.

While the Lions offense sparkled, the Browns attack sputtered and stalled.

Lou Groza got a field goal to give Cleveland a 3-3 tie in the second quarter. Milt Plum, who alternated with Jim Nowinski at quarterback, hit Ray Renfro on a 12-yard touchdown play shortly before the game ended.

Plum completed six of eight passes for 63 yards. Nowinski connected on four of eight aeriels for 60 yards.

Penn halfback John Terpak is the son of the assistant coach of the U. S. Olympic weightlifters.

Troubles Pile Up For Woody Hayes

By FRITZ HOWELL

Associated Press Sports Writer
COLUMBUS, Ohio (AP)—These are worrisome days for Ohio State Coach Woody Hayes.

Woody has lost only one of the last 16 games, but troubles are piling up. He's tied two and lost one of the last three. Iowa has won the Big Ten title, owned by Ohio three of the last four years.

And Iowa is next Saturday's foe. The game is at Iowa, where a Hayes-coached team hasn't scored a point in two attempts. Ohio probably will go into it without the services of Quarterback Frank Kremblas, the team's sparkplug, who suffered a rib separation and leg injury in Saturday's 14-14 deadlock with Purdue.

On top of all that, Woody's justly-famed ground-eating attack has run into a snag. In the last three games his offense has produced just one touchdown—and that came after a pass-interference penalty had put the ball on the one-foot line.

Woody's hand-shaking, or lack of it, also has caused comment. Milt Bruhn, Wisconsin mentor, complained that Woody shook hands with the official who called the pass-interference play before walking over to grasp the opposing coach's hand.

Saturday Jack Mollenkopf, the Purdue coach, complained because Woody didn't shake hands with him at all.

Woody says the platooning by other teams has hurt Ohio in recent games, along with the stacked defenses to hamper Fullback Bob White. Ohio can't platoon, Hayes avers, because of lack of talent after the top 15 boys. The result is that Ohio has tired in the late going.

That tiredness popped up Saturday. After Ohio had taken a 14-0 halftime lead on two startling touchdowns by Tackle Jim Marshall—one on a punt blocked by End Jim Houston, and the other on a pass interception from a Houston — deflected aerial—the Bucks were through.

In the last half Ohio had one first down and a total of 37 yards gained while Purdue picked up 83 on the ground and passed for 195 more to garner two last-period touchdowns for the deadlock.

Ohio was outgained 374 to 130 yards in the entire game, and had 11 first downs to Purdue's 22.

Iowa, with the Pasadena trip wrapped up, can take the title with a 6-0 record by beating the Bucks. Even an Ohio victory

couldn't prevent the title and the coast jaunt going to the Hawkeyes.

Should Ohio lose to either Iowa or Michigan in the final games, the Bucks—pre-season picks to dominate the nation—would wind up with the poorest record since Hayes took over in 1951 and compiled a 4-3-2 season.

Elsewhere on the Ohio front Miami whipped Marshall 26-0 to take its sixth Mid-American Conference title, and Wittenberg grabbed the Ohio Conference's undisputed crown with a 7-6 squeaker over Ohio Wesleyan.

Boros Takes Atlanta Open

ATLANTA (AP)—Julius Boros, bolstered by a shot of penicillin, made his return to the golfing world a triumphant one Sunday by winning the Atlanta Open.

The muscular "Moose" from Mid Pines, N.C., had complained earlier in the tournament of illness and considered dropping out. But the penicillin injection returned him to winning shape.

The victory was worth \$8,500—\$3,500 for first place and a \$5,000 bonus for being a repeat winner. He is the first to claim the bonus in the six-year history of the tournament.

Boros went into the final round with a two-stroke advantage. He fired a 38 on the front nine, but tapped in two birdies on the backstretch to stage off a determined bid by Billy Casper Jr. of Apple Valley, Calif. Boros finished with 284, Casper 285.

Casper's second place finish earned him \$2,300.

Bill Collins, unheralded Baltimore pro, captured third place with a 287. Pete Cooper of Lakeland, Fla., and Fred Hawkins of El Paso, Tex., tied for fourth with par 288.

LSU And Iowa Set Pace In Bid For National Grid Crown

Many Others Cast Eyes On Bowl Berths

By ED WILKS

Associated Press Sports Writer

Louisiana State or Iowa for the national championship, and almost a score of teams to pick from for nine remaining bowl berths.

That's the way things look today in major college football after a weekend that saw unbeaten and top-ranked LSU smash Duke, second-ranked Iowa collect the Big Ten title and Rose Bowl trip, Pitt and Georgia Tech return to bowl consideration and Washington State snafu the Pacific Coast Conference race to the Rose Bowl.

With the Cotton, Sugar, Orange and Gator Bowls still looking for two teams and the Rose Bowl looking for one, no less than 17 clubs are looking pretty.

There are, in addition such possibilities as Oklahoma, Missouri, Texas Christian, Rice, Southern Methodist, Mississippi, Clemson, North Carolina, California, Oregon State, Syracuse, Air Force and Rutgers.

LSU, now 8-0, couldn't help but pick up backers for the national title, decided by the final Associated Press poll, after whipping Duke 50-18. It was the highest total in 21 years for the Tigers, who get back to the business of winning the Southeastern Conference title and a shot at the Sugar Bowl against Mississippi State this week end.

Auburn, still second in the SEC after beating Mississippi State 33-14, is on NCAA probation and can't be considered for a bowl.

Mississippi, which plastered Houston 56-7, is third in the SEC and plays Tennessee. Old Miss could be a bowl pick without winning the SEC. So could Georgia Tech, now 5-2-1 after dampening Clemson's hopes a big 13-0. Tech plays Alabama next.

Clemson, the Atlantic Coast Conference leader, returns to league play against North Carolina State. North Carolina, second in the ACC and riding a six-game streak after thumping Virginia 42-0, makes its big bid against Notre Dame—a club the Tarheels haven't beaten in eight tries.

Notre Dame also figures in Iowa's plans. The Hawkeyes won the Big Ten by beating Minnesota 28-6 and now shoot for the national title against Ohio State and Notre Dame.

The Irish, headed neither for a bowl nor the national title, were handed a third defeat, 29-26 by Pitt.

Syracuse, a sure bet for a bowl. Is 6-1 after whipping Boston University 42-0 and has only Colgate and West Virginia remaining.

Army, third ranked in last week's poll, beat the heat and Rice 14-7. The Cadets now have a breather against Villanova before the Navy Game. Navy shrugged off that 40-20 defeat last week by Notre Dame and clobbered Maryland 40-14.

Rice, tied with TCU for the Southwest Conference lead, lost no prestige in that loss to Army. The Cadets won it on a long pass in the final minute of a touch battle. Rice plays Texas A&M this weekend, then plays TCU in what should be the showdown for the Southwest title and Cotton Bowl berth.

TCU meets Texas after beating Marquette 36-8. SMU elbowed into the title fight by creaming A&M 33-0. The Mustangs play Arkansas next.

Oklahoma won as expected, in beating stubborn Iowa State 20-0, while Missouri wallowed Colorado 33-9. That left the Sooners and Missouri tied for the Big Eight lead at 4-0—and they play this weekend at Oklahoma with the title and Orange Bowl berth on the line.

California regained the PCC lead by beating UCLA 20-17 while Washington State upset Oregon State 7-0. California, 4-1 in the league, has beaten Washington State (5-2), but was beaten by Oregon State (4-2). To make it tougher, Southern Cal (4-2) also has a chance.

Rutgers, the only other unbeaten club playing a major schedule, is 7-0 after defeating Lafayette 18-0.

Air Force is the surprise club with a 6-0-1 record—that tie is Iowa—after defeating Denver 10-7. Wyoming, the Skyline leader, is next for the Falcons.

Ohio Gridders Sparkle During Service Battle

COLUMBUS, Ohio (AP) — Two Ohio high school football products did most of the scoring Sunday as the Marines from Camp Lejeune, N. C., defeated Lockbourne Air Force Base's football Skyhawks 9-6.

Tackle Bob Williams from Massillon kicked the Marines' field goal, and Fullback Joe Oliver of Granville, who now lives in Newark, scored the Air Force touchdown. Herb Nakken of the University of Utah, a Los Angeles Rams draft choice, scored the Marine touchdown.

Echo Dell Area Checked

Fishing Should Be Good, Shocker Survey Reveals

Fishermen can look forward to "exceptionally good" sucker spearing and fishing next spring in the Echo Dell area of the, Beaver Creek State Forest, Daniel C. Armbruster, district fish management supervisor, predicted after completing a survey of fish population.

And smallmouth bass can be caught, too, if the fishermen can find the right spots.

A total of 696 fish, including 67 bass ranging up to 14½ inches in size, was counted with an electric fish shocker in the stream last month, he said.

Suckers and minnows were more numerous than other species, Armbruster added.

The shocker survey has indicated each year since 1954 that

the stream is far from being "fished out," Armbruster continued.

The top picture shows a crew with one of the smallmouth bass netted. A small metal tag with a number and length are recorded. Scale samples also are taken to determine their age and rate of growth.

Five native smallmouth bass tagged in 1957 were recaptured last month, Armbruster said, and all showed exceptionally good growth. The growth ranged from 1.7 inches to 2½ inches.

One bass was tagged in 1956, recaptured in 1957 and again last month. It showed a growth of three inches from 1956 to 1958.

The survey and stocking have proved that only native

smallmouth bass remain year after year in the same pools. Some smallmouth bass raised in the fish hatchery were stocked in Beaver Creek and a study of the tags sent in by fishermen indicated in all cases that the bass moved downstream. In one case, a bass traveled 39 miles downstream in 75 days, Armbruster said.

A program of stream improvement was initiated in 1956 because some local sportsmen and wildlife specialists believed the best way to improve fishing was to improve the habitat of the stream.

Approximately 500 tons of stone were moved by hand to construct dams along the stream to improve feeding areas for the fish.

\$340 In Bakery Dough Has Gone Up In Smoke

CRANSTON, R.I. (AP) — The dough in the pie plate in Solitro's bakery was money.

Pasquale Solitro went to work Sunday, dumped the contents of a wastepaper basket into the incinerator and touched a match to it. He didn't know that \$340 of Sat-

urday's receipts had fallen into the basket.

Solitro collected the charred remains of the money in a pie tin and appealed to the Treasury Department for fresh currency.

2 Drivers Penalized

LISBON—Donald E. Degarmo of R. D. 1 was fined \$10 and costs for lack of a driver's license at a hearing Friday night before Mayor John Todd, who forfeited the \$15 bond of Lloyd Harris, 24, of Cleveland on reckless operation. Police cited Degarmo and the State Highway Patrol cited Harris, who failed to appear.

Little Potters Clip Wellsville By 14-6 Score

After scoring two early touchdowns, East Liverpool's Reserves had to stage several goal line stands in the second half to protect the lead and ease by Wellsville's Reserves, 14-6, in a driving rain Saturday night at Wellsville's Nicholson Stadium.

The victory gave Coach Bob Hedmond's Little Potters a 4-2-1

Tiger Reserves Oppose Beaver Local Tonight

Wellsville High's Aeserves will conclude their regular football season by meeting Beaver Local's Reserves tonight at 7 at Nicholson Stadium in Wellsville.

season record, while Wellsville's Reserves lost their second straight game.

The Potters punched across a pair of touchdowns in the first quarter but had to rely on defense in the second half after committing several costly fumbles.

The first score came after Joe Thompson, Jim Sparks and Henry Roach had alternated in driving to the Wellsville goal after a long march and quarterback Craig O'Neil had sneaked over. Wellsville halted a running attempt for the conversion.

Later in the second period, sophomore quarterback Ken Cunningham passed to end Mike Geon for another touchdown in a 35-yard play. Cookie Goodballet ran over the conversion for a 14-0 lead.

Wellsville controlled the ball for almost the entire second half and managed to score late in the final period after capitalizing on a Potter fumble at the four-yard line. A short buck provided Wellsville's only touchdown.

Teaming with Geon at the other end for the Potters was John Geomple. Bob Anderson and Ex-ton played the tackle posts and Glenn Mays and Larry Crook the guards. Gary Montgomery went most of the way at center.

10 Horses Await International Bid

By JOHN CHANDLER
Associated Press Sports Writer

LAUREL, Md. (AP) — The hard training completed, ten horses are set to fight it out Tuesday in what many believe will be the greatest international race in thoroughbred history.

Ballymoss, Europe's horse of the year, remained the 8 to 5 favorite in the invitational \$100,000 Washington D.C. International.

However, the Irish-bred 4-year-old, owned by John McShain, Philadelphia builder, must overcome a big jinx. No favorite has gotten to the winner's circle in six previous runnings of the mile and one half grass course classic.

Many turf observers rate Ballymoss the finest horse ever to come to the United States to race. It will be his last, since he goes to the stud in England under a \$700,000 syndication.

From Australia to challenge Ballymoss is that country's handicapper star, Sailor's Bride. He is the best horse to come from down-

under since Phar Lap a quarter century ago. He is owned by A.C. Dobb and his son, Keith of Melbourne.

The two top 3-year-olds in Russia, Garnir and Zaryad, are the first to run in this country. They were 1-2 in the Moscow Derby.

Mrs. Adele L. Rand's Clem, who whipped Round Table in three straight \$100,000 races, and Mrs. Herbert Herff's Tudor Era represent the United States. Tudor Era, an English-bred, won the Laurel Turf Cup Nov. 1.

Orsini II is perhaps the best German colt sent here by Baron Henry Thyssen. He had Niederlander in 1952, Ataturk in 1955, and Nisos last year.

Alfredo Lechin's Escarabano represents Venezuela. Dr. Erwin Wasserman's Revouque is here from Argentina, and another Irish colt, Tharp, is owned by Carlton H. Palmer of New York.

All of the horses were on the track for final brief canter, or short speed "blow outs" this morning.

Sub Leaps Off Bench To Halt Enemy Runner

DALTON, Mass. (AP) — The heart overruled the head during the Springfield Trade-Dalton High School football game Saturday.

Trade tackle Emedio Maloni, squirming on the bench while his team fell behind 14-0, saw Dalton halfback Stan Zaleski intercept a pass and weave toward the sidelines en route to another touchdown.

Maloni saw his duty. He leaped from the bench and tackled Zaleski.

The officials allowed the touchdown and Dalton won the game 20-0.

18 Grid Teams Remain Unbeaten And Untied

By The Associated Press
The list of the nation's unbeaten and untied college football teams stood at 18 today with Louisiana State and Rutgers the only major eleven still in the select group. LSU has won eight games while Rutgers is unbeaten in seven games.

Hope, Montana State, Baker and Hamilton fell by the wayside in Saturday games.

Among minor colleges, Kearney of Nebraska finished unbeaten in nine games. St. Benedict's, a Kansas school, also is unbeaten in nine games.

Undefeated in eight games, both Wheaton and Gustavus Adolphus have finished their season.

West Virginia Sets Playoffs

By The Associated Press
Three Kanawha Valley high school football teams are listed for berths in state championship playoffs tentatively set for the next two weeks at Charleston, Buckhannon and Dunbar.

The tentative listing show East Bank meeting Parkersburg at Charleston's Laidley Field for the Class AAA title and Sissonville tangling with Clarksburg Roosevelt-Wilson at Buckhannon next Saturday for the Class AA crown.

The other KV entry, Winfield, the pride of Putnam County, is slated to clash with Meadow Bridge Nov. 22 at Dunbar for the Class A championship.

The playoff teams, sites and dates are tentative pending a final check of the official rating figures.

Richardson Captures Japanese Tennis Title

OSAKA, Japan (AP) — American Davis Cupper Hamilton Richardson today won Japan's mens singles tennis championship by beating his teammate Alex Olmedo, 6-2, 6-1, 6-1.

Richardson was the third foreigner in tennis history to win the Japanese singles crown.

G. Von Cramm, Germany, and S. Kukulevic of Yugoslavia won the championship in 1937 and 1939, respectively.

Various Programs Planned

Schools To Mark Education Week

East Liverpool schools have completed plans for the observance of American Education Week, which begins today.

Programs will include various exhibits and displays of children's activities and talks. Invitations have been extended to all parents.

The Westgate elementary school and the Junior High School will be open to parents for visits during the week.

THE PARENT-Teacher Association of the elementary school will meet Tuesday with each teacher presenting to the parents the work of the entire grade.

At the junior high, an assembly will be held to commemorate Veterans Day and students will have on display featuring Westgate School at the Moore Furniture Co.

Open house will be observed at the LaCroft School Thursday and at the Pleasant Heights School Wednesday. Both schools will recognize Veterans Day with special programs.

PARENTS are invited to attend classes Thursday at the Garfield School. Becoming acquainted with "Alaska," the new state, will be the highlight.

Sixth graders of Garfield School will display flag designs and booklets on the past and future of Alaska.

Class demonstrations will be shown to parents at the Horace Mann School Thursday. "Hawaii" will be featured.

A special assembly in observance of the week will be held at East Liverpool High School Wednesday at 12:55 p. m. by the faculty and students.

PARTICIPATING will be the band, choir and various other student groups, according to George Hargraves, principal.

Following the assembly, parents will be invited to attend the regular afternoon classes.

Regular school hours and classes will be observed during the week at East Junior High. All rooms will have displays of students' work.

Teachers will meet with parents during their unassigned periods each day.

McKinley School will hold open house during the week. Invitations were made in art classes and sent to parents.

THE MCKINLEY Home and School Association is meeting Tuesday night with Mrs. Edna Jones, school nurse, discussing Civil Defense.

Exhibits of written work, posters, art and new Ohio Pupil Reading Circle books will be on display in the rooms and halls.

At the close of all visitation periods the teachers will confer with the parents.

WEDNESDAY has been designated as "Visitation Day" at Taft School although parents will be received any time. Regular classes will be conducted.

The Glenmoor School plans regular school work all week and parents are invited to attend classes Wednesday from 1 to 3:30 p. m. Special displays will be featured.

Parents are invited to visit the Neville School Thursday. Regular classroom activities will be demonstrated from 1 to 2 p. m. A tea for the parents will follow.

Mrs. Norman Horner, vice president of the Neville Home and School Association will discuss the Civil Defense program in school.

A SPECIAL program including a speaker on Civil Defense and a tea for parents, will be featured at the Klondyke School.

"Open house" will be held the entire week at the Lincoln School and parents will have the opportunity to view the many displays.

A Streetcar Named Desire

ATLANTA (AP)—"I always had a suppressed desire to drive a trolley and all of a sudden I found myself with the nerve to do it."

That's how James Camp, 22, a roofing sub-contractor, explained Sunday's theft of a 10-ton, 35-foot long trackless trolley.

"I'm sorry I did it now, of course," he told police, "for it's no fun to be locked behind these bars, but it was great fun dashing down the street."

Police said Camp took the vehicle while G. S. Bethel, Atlanta Transit Co. driver, was having a coffee break.

Company officials expressed surprise that an inexperienced driver was able to handle a trolley, a job which requires a certain amount of know-how.

But they weren't half as surprised as Bethel when he returned from his coffee break to find the trolley missing.

Finally Bethel called police. Half an hour later two patrolmen spotted the wayward trolley and halted it. The driver jumped out and ran so fast he lost his shoes but the officers caught him.

Officers figured Camp's "suppressed desire" trip covered about a mile. The trolley's number—1313.

Third Body Found

PORT COLBORNE, Ont. (AP)—A third body, that of Walter Kozlov, 29, of Dresden, Ont., has been recovered after a storm last week wrecked an offshore gas drilling rig in Lake Erie. Five men were aboard. The freighter Judge Kenefick brought in the body Sunday after finding it about 14 miles off Long Point. Two other bodies were found earlier.

Rope Trick Backfires; Youth, 10, Is Critical

OKLAHOMA CITY (AP)—Charlotte Dowdy, 7, walked into her house and said her brother Jerry was hanging from a tree with a rope around his neck.

But, Mrs. Luther Dowdy told police, her 10-year-old son often scared his sister with the rope trick, so there wasn't much excitement. Just the same she checked.

She found Jerry, who had accidentally hanged himself, dangling from the tree limb. Hospital officials said the youth is in serious condition and may have suffered a brain injury.

300 At Ruritan Club Session

Floyd Lower Keeps Ohio District Post

LISBON—Approximately 300 attended the banquet and business sessions of the Ohio Ruritan Clubs held Friday at East Rochester.

At the business session at the Methodist Church in the afternoon, Floyd Lower, county extension agent and district governor, and Howard Greenfield of Bayard, secretary-treasurer, were re-elected.

Tom V. Downing of Franktown, Va., secretary of Ruritan National and one of the founders of Ruritan, spoke at the afternoon session and at the evening banquet.

He presented community service award to the Damascus Club and attendance award to the Rogers Club for the Ruritan National.

The Ohio Ruritan passes a resolution endorsing a movement to seek more safety measures for school busses on foggy mornings and authorized appointment of a committee to work with public officers to this end.

Elected as lieutenant governors were Fred Puttkamer of Greenford, Zone 1; Wayne Rudibach of Fairfield, Zone 2; Wilbur Hirst of West Township, Zone 3, and Dwight Ickes of the Washington Club, Zone 4.

During the banquet at West Local School, Fred L. Helm of Bexley, representing the department of public relations of the Firestone Tire & Rubber Co. of Akron, discussed his experiences in Liberia and the transformation and development of the Negro republic of West Africa.

Critical In Clubbing

CLEVELAND (AP)—Clubbed on the head with a rifle butt, a man identified as George Taylor, 28, of Cleveland was in critical condition today in St. Vincent Charity Hospital. Held was a 26-year-old truck driver who told police he caught Taylor trying to break into his locked auto while it was parked in a driveway. The truck driver said he used the rifle butt after being threatened with a pistol, but no pistol was found at the scene by police.

Adult Education Questioned In Relation To World Affairs

CINCINNATI (AP)—A University of Pittsburgh executive says he thinks it's a waste of time to teach the intricacies of foreign affairs to most Americans because they need first to have their interest in the subject aroused.

Shepherd Witman, director of Pitt's educational exchange program, also said Sunday night he's opposed to top-drawer education for top-level position holders in national life.

Witman addressed a general meeting of the Adult Education Assn. at its annual conference. He said, "Adult education in world affairs for most citizens produces very little educational effect."

Witman said he figures the limited resources of educators in this field should be directed to intellectuals and what he called second-level leaders in industry, labor and government.

As for top-level leaders, he said, "These people in government or business already have their minds made up on the crucial foreign policy issues."

"Consequently, they do not want to be lectured by professors who cannot use the efforts of professional educators."

Witman said that the problem with most people is enlisting their interest in international matters. He said, "Stop trying to reach the masses who will not or cannot master the complicated concepts of diplomacy and international relations."

"Be more courageous in programming controversial or unpopular topics, for they are often the ones on which informed citizens need most help."

The convention ends today.

Deaths and Funerals

Death Claims Woman At 66

Mrs. Arthur Cochran Rites Set Wednesday

Mrs. Florence May Cochran, former Wellsville resident and retired potter, died early Sunday morning at the home of her son-in-law and daughter, Mr. and Mrs. Robert Willis, 823 Cadmus St., following a two-year illness. She was 66.

Mrs. Cochran was born May 12, 1892, in Ravenswood, W. Va., a daughter of Mrs. Leora Bell Simonds of Carrollton and the late T. E. Simonds. She resided in Wellsville 35 years before moving to East Liverpool after her husband, Arthur M. Cochran, died Dec. 16, 1954.

She attended the Wellsville Church of the Nazarene. Mrs. Cochran was employed by the Harker Pottery Co. when it was located in East Liverpool and stayed with the firm when it moved to Chester. She retired seven years ago. She was a member of the IBOP.

Besides her mother and daughter, survivors include two sons, Arthur Cochran of East Liverpool and Harold Cochran of Tampa, Fla.; seven other daughters, Mrs. Grace Mobley and Mrs. Virginia Pelley, both of Wellsville, Mrs. Margaret Wolfe, Mrs. Evelyn Board and Mrs. Ruby Carter, all of East Liverpool, Mrs. Betty Peterson of Tampa; five sisters, Mrs. Bertha Mobley of Wellsville, Mrs. Dorothy Bracken of St. Petersburg, Fla., and Mrs. Blanche Roach, Mrs. Rose Moyer and Mrs. Helen Moyer, all of Carrollton, and 45 grandchildren and 15 great-grandchildren.

Services will be held Wednesday at 2 p. m. at the MacLean Funeral home in Wellsville by the Rev. Glenn A. Brunstetter of the Pennsylvania Ave. Methodist Church in East Liverpool. Burial will be at Spring Hill Cemetery at Wellsville.

Friends may call at the funeral home Tuesday afternoon and night.

Albert Russell

Albert J. Russell, a native of East Liverpool, died Sunday at 6:30 p. m. at Twin City Hospital in Dennison following an illness of five years. He was 57.

Mr. Russell was born in East Liverpool, a son of the late William and Mary Balmert Russell. He worked in district potteries here before moving to Dennison about 10 years ago. He was employed at the Scio Pottery Co. at Scio.

Survivors include his widow, Mrs. Garnet Russell at home; two daughters, Mrs. Rose Albough of Dennison and Mrs. Mary Otto of New Philadelphia; a brother, Walter Russell of East Liverpool, and three grandchildren.

Services will be held Wednesday at 3 p. m. at the R. K. Lindsey Funeral Home in Dennison by the Rev. Delbert Miller. Burial will be in Union Cemetery at Urichsville.

Friends may call at the funeral home after 7 tonight.

Infant Hilditch

Crystal Joy Hilditch, eight-week-old daughter of Mr. and Mrs. Daniel Hilditch, 132 W. 4th St., was pronounced dead on arrival at City Hospital Sunday at 12:30 p. m.

Death was due to accidental suffocation, according to the Columbiana County coroner's office. The parents found the child smothered in bed. She was born Sept. 15 at the hospital.

Besides the parents, survivors include the paternal grandparents, Mr. and Mrs. Samuel Hilditch of East Liverpool; the maternal grandmother, Mrs. Opal Diamond of Fairview, near Midland, and a brother, Daniel Hilditch Jr., at home.

Services will be held Tuesday at 11 a. m. at the Dawson Funeral home. Burial will be in Columbiana County Memorial Park.

Friends may call at the funeral home tonight.

Rattler, In Coveralls,

Puts Man In Hospital

MOUNTAINAIR, N. M., (AP)—Frank Evans, 22, of Dora pulled on a pair of coveralls near here while working on a range reseeded project.

Evans quickly shucked off the coveralls when something bit him. He figured it was a scorpion. But hours later, he discovered a two-foot rattler in the coveralls. His partner took him on a wild 23-mile ride to Mountainair during which the car tumbled into a ditch. Result: a desperate battle for life and a 10-week stay in the hospital.

In the program that will follow for the junior high section, an exhibit will be presented by the national championship VFW drill team.

Red China Again Asks Withdrawal Of Yanks

TOKYO (AP)—Red China insisted again today that United Nations troops be withdrawn from South Korea and that the north and south be united through neutral-supervised elections.

The demand was contained in a note from Red China's Ministry of Foreign Affairs to the British charge d'affaires office in Peiping. It was broadcast by Peiping radio.

"The Chinese People's volunteers have already completely withdrawn from Korea," the note said.

2 Men Await Hearings In Tavern Disturbance

NEW CUMBERLAND — A Chester man and his brother are to receive hearings tonight before Squire John D. Herron on charges of destruction of property following their arrests Sunday night at a Route 2 tavern by Hancock County sheriff's deputies.

Frank Thompson, 25, of Chester and Charles Thompson, 23, of Eastlake, Ohio, were cited by deputies after breaking furniture in Mineral Springs Park tavern during a ruckus, authorities at the County sheriff's office said. Each posted a \$100 bond for a hearing tonight, deputies added.

Other arrests by deputies over the weekend included an East Liverpool man for driving while drunk and an Alliquippa youth apprehended for being absent without leave from the Navy.

Robert S. Stull, 38, of East Liverpool was cited on the drunk driving charge Sunday at 12:20 a. m. in Chester. He is scheduled for a hearing tonight before Mayor Burton Ward.

Arrested for being AWOL from the Newport, R. I., Naval Base was Charles D. Morgan, 18, who was lodged in County Jail today awaiting Navy authorities. Deputies arrested the youth while he was driving on Route 30.

8-Cent Raise Granted Potters In New Castle

NEW CASTLE — A last-minute settlement that includes an 8-cent hourly pay raise Sunday night averted a scheduled walk-out of 1,000 employees of the Shenango China Co., represented by local 3125, United Steelworkers.

The workers had scheduled a strike at midnight to back up demands for a 10-cent boost. The old contract expired Oct. 31.

A joint statement issued by union officials and Thomas W. Dickey, industrial relations director at Shenango, said the one-year contract was signed "on the basis of union co-operation in the solving of mutual problems."

Police Receive Call On 'Urgent Matter'

TOWSON, Md. (AP)—The elderly woman calling the police station said she had to reach Friendship International Airport right away.

Salvation Army Sets Observance Of Veterans Day

A Veterans' Day observance will be held in the Salvation Army Citadel Tuesday at 7:45 p. m.

The Citadel Songsters, under the direction of Wilma Marshall, will sing "The Battle Hymn of the Republic" and martial strains will be played by the Citadel Band under the leadership of Bandmaster Matt Clark.

"A Book of Remembrance" ceremony honoring servicemen will be presented by members of the Women's Home League.

The sound film, "Marching Forward," will be shown, highlighting a newsreel release showing Salvation Army lassies serving coffee and doughnuts to members of the AEF during World War I.

Following the observance, a farewell social will be held by the "Torchbearers" in the Home League room to honor David Barnhart, a member of the group and recent graduate of East Liverpool High School who has enlisted in the Navy. He will leave for San Diego Wednesday.

\$100 Blaze Damages Cumberland Apartment

NEW CUMBERLAND — Fire, believed to have originated from a discarded cigarette, caused some \$100 damage to furniture in a S. Chester St. apartment over the weekend, volunteer firemen reported today.

Damage was limited to a burned couch and rug in the upstairs apartment of Anna Belle Jeffries in the Musmano Apartment building Sunday at 11:30 a. m., firemen said.

Mrs. Jeffries had left the apartment momentarily and upon returning, found the couch burning and the room filled with smoke, firemen said. Two small children, alone in the room, were not injured, firemen said.

Chief Elmer Bailey was to begin an investigation today to pinpoint the cause of the blaze in the brick apartment building. Both of the town's trucks responded to the alarm with about 15 volunteer firemen. Paul Wigner, assistant chief, was in charge, Bailey said.

tired secretary of the C. O. Jelliff Corp., of Southport, and George W. Long, 45, Far Eastern specialist for National Geographic Magazine. Long is married and the father of three children.

The other passengers were listed as seven Germans, five Britons, three Belgians, two Frenchmen and seven Portuguese. The pilot and copilot were British and the other four crewmen Portuguese.

Veres said the area is being searched "with all intensity and minuteness possible during the night and the morning."

The U.S. Embassy said an American search plane reported sighting the downed aircraft and was trying to guide it back by radio. There were no confirming reports from other search planes or vessels.

The British pilot, Capt. Jim Broadbent, was a record-breaking flier before World War II. He set a solo flight record of 5 days, 4 hours, 21 minutes from Australia to England in 1938 which still stands.

Thomas S. Brush Named Trustee At Mt. Union College

Thomas S. Brush of Salem, a vice president of Brush-Moore Newspapers, Inc., is one of three new trustees-at-large of Mount Union College named when incumbent trustees met at the college in Alliance Saturday to fill three vacancies and re-elect two members.

In addition to Mr. Brush, the new trustees-at-large are Leon Beeghly of Youngstown and Dr. Charles Gallagher of Rochester, N.Y.

Mrs. C. J. Rodman of Alliance was re-elected as a trustee-at-large and Kenneth C. Weaver of Canton was re-elected an alumni trustee.

Charles Erwin Wilson, former U. S. secretary of defense and former president of General Motors, who had been made a trustee-at-large a year ago, was present at Saturday's meeting.

The trustees-at-large serve three-year terms. Fifteen are appointed by other trustees named by the Methodist Church's North-East Ohio Conference, Ohio Conference and Pittsburgh Conference.

Dr. Carl Bracy, Mount Union president, reported to the board on enrollment growth and a request for a federal loan for building a new residence hall on the campus.

Temperance Work In Ohio Draws Praise

CLEVELAND (AP)—The superintendent of the Pennsylvania Temperance League has some kind things to say about the zeal and effectiveness of the temperance league of Ohio.

Dr. B. E. Ewing of Philadelphia, an Evangelical United Brethren pastor, spoke here Sunday on the eve of the biennial board meeting of the National Temperance League. There are some 80 delegates here for the three-day session.

He praised a temperance education plan by which high school juniors and seniors get textbooks and special instruction on the evils of alcoholic beverages. This program is conducted in half the state's 88 counties for one year and in the remaining half the following year.

Free trips to Washington, Williamsburg, Va., or Florida are given by the Temperance League to students making the highest grades on examinations covering the temperance courses.

Dr. Ewing deplored what he called the church's lack of sufficient concern over the drinking problem. He said Yale University's School of Alcohol Studies reports there are 5,015,000 alcoholics in the United States, and the number is increasing by 225,000 annually.

Army Pushes Plans For Its Moon Rocket

CAPE CANAVERAL, Fla. (AP)—The Army pushed ahead with plans for its first moon rocket launching today after the latest Air Force attempt fell far short of success.

Maj. Gen. John B. Medaris, Army missile chief, said so far the Army is on schedule: Some of the equipment needed to blast a satellite around the moon already has been shipped to the cape.

If all goes well, the Army probably will make the first of its two attempts about Dec. 5 when the planes of earth and moon again are in the best position.

The Air Force has had three tries and came closest on Oct. 11 when Pioneer I traveled an unprecedented 79,000 miles through space.

Air Force missilemen pored over flight performance data to determine what caused a power failure in the third stage of the Pioneer II rocket early Saturday morning.

Instead of firing a satellite about 220,000 miles to the moon, the rocket fizzled at an altitude of 1,000 miles and disintegrated in the earth's atmosphere.

Tear-Down Order May End 'Career' For Old City Hotel

Fire Chief Charles Bryan said today he has notified Eugene Breakstone of Chicago, owner of the former Sylvan Hotel, that he has less than a month to comply with an order to raze the dilapidated three-story brick building on E. 2nd St.

An order was issued Sept. 8 by the state fire marshal's office at Columbus that the building be torn down, Bryan said. It must be razed by Dec. 8, the 90-day period directed by law, or the state will to the job and charge it to taxes against the property.

But Bryan pointed out no taxes have been paid on the property since 1952. Some \$2,000 is owed and the property soon will be placed on sale by the county.

The hotel, one of East Liverpool's first, has not been inhabited for quite a while except for homeless men, according to Bryan.

He said an investigation of the building showed the roof leaks, the third floor is rotted through in places, the front has pulled away from the main building, windows are broken out and the frames are in danger of falling and that the entire building is loaded with rubbish and trash.

Although the building is boarded over, "canned heaters" keep breaking in and sleeping in the rooms, he said. They also have torn out all the plumbing in the building, Bryan said.

Visits To Schools Set For Education Week

SALINEVILLE — Parents and others have been invited to visit Salineville High School and grade school Thursday morning in observance of American Education Week.

Parents wishing to dine at the cafeteria at noon may register up to 9 a. m. Thursday. A meal costs 35 cents for adults.

The Parent-Teacher Association will meet Thursday night at 8 at the high school. John Baker, executive head, will speak on the arithmetic program and Miss Edna Kirk, third grade teacher, will demonstrate the new film strip projector and its use in the classroom.

Plans will be completed for the indoor fair to be sponsored by the PTA. The executive board will meet tonight at 7:30.

Confident Living

Dr. Norman Vincent Peale
Love Of Fellow Men Works Wonders

A few years ago Canada lost a remarkable man in the death of Dr. Albert L. Cliffe. He had made an important reputation as a chemist, but he had made an even greater contribution as a lay preacher and Bible class teacher.

No one ever called him anything except Al Cliffe. He was one of the most gifted and practical spiritual teachers I ever knew. Al Cliffe is gone now, but his unique way of thinking about human problems survives in his books and in the memories of thousands of people who heard him speak. He had the simple belief that the Lord guided him in everything he did.

ONE DAY, he told me, the Lord guided his steps downtown in Montreal and sent him to a certain street where friends named Bill and Mary had a haberdashery shop. In the shop he found both of them sitting disconsolately, chins sunk in their hands. "What's the matter with you?" he asked. "You act as though you'd lost your last friend."

"Oh," they told him, "unless something happens soon, we're going to lose our business. We just don't seem to get enough customers and the few who do come in don't buy anything."

Just then a customer walked in and looked in various showcases. Bill and Mary continued to maintain a dejected attitude, giving him no friendly interest. Finally, the customer became self-conscious in the gloomy atmosphere and walked out. "There goes another who bought nothing," Bill said. "So you see why we're so down."

"I'm surprised he stayed as long as he did!" Al Cliffe exploded. "You actually made it hard for him to buy. And just look at this place! Paint is peeling from the showcases; there isn't enough light. Go out and buy a can of white paint; get some big bulbs. Brighten the place up! Make it a happy place! But first you'll need to do

the same to yourselves. The store will be only as happy and attractive as you are. It will be no more successful as a business than you are successful as persons."

"But we've got to raise \$600 this month from customers who owe us," Mary complained. "Otherwise we can't pay our own bills. Why won't people pay their accounts? Look at this pile of bills we're sending out. But little good it will do us. We'll never get out of the red." So they moaned.

AL CLIFFE looked at the statements stamped and ready to be mailed. "These are not bills. They're people," he declared. "You're not thinking right. Now, look, let's do something spiritually creative. Bill, you place your hand on these letters. Now, Mary, put your hand on Bill's. And I'll rest my hand on top. Now let's pray together for these people who owe you money. And let's try loving them too. If a person doesn't pay his bills, it shows that he needs prayers and love; something is wrong with him morally and spiritually. Perhaps our prayers and love going out along with these bills can help make people better. And by doing this we can help make our lives better, too." So spoke that wise and unique man. Well, those spiritually dedicated bills went out along with the prayers and loving thoughts. What happened? Only this: Before the month was over, Bill and Mary had received 85 per cent of the outstanding accounts on their books, funds they needed so desperately.

They became a changed and outgoing couple. As a result their store became a changed place and gradually their business improved. When they started putting love and happiness into their work, love and happiness came back to them. That's the way it works.

"Love is the key of all laws," wrote Al Cliffe. "We must love God, and we must love our fellowmen. These are the underlying teachings of the Master. Therefore, no matter what we give in service and money to God and our fellowmen, our lives must be ruled by love."

The Bible says this even better: "Faith, hope, love abide, these three; but the greatest of these is love."

Grange Chief Asks Changes

Hits At Subsidies In Farm Production

GRAND RAPIDS, Mich. (AP)—The head of the National Grange called today for changes in federal farm programs that would free taxpayers from government subsidies on agricultural production.

Herschel Newsom, master of the nation's oldest farm organization, said farm income must come from the users of farm products and not from taxpayers.

In an address prepared for the Grange's 92nd annual convention, Newsom added: "We believe that Americans have both a moral and economic obligation to pay an American price for products which they use or consume from American farms. We do not believe that those same Americans, as taxpayers, have an obligation to subsidize total agricultural production and then pay additional subsidy on that portion not consumed through private trade channels to dispose of it in foreign markets or otherwise."

The farm leader told Grange delegates present programs have not given farmers a fair income in relation to their contributions to the public welfare.

The convention, which will close Nov. 18, is the first of a major farm group to be held since the Republicans suffered heavy losses in farming as well as other parts of the country at the recent congressional elections.

Newsom said the nation should continue to encourage abundant farm production so as to assure ample reserves. But the extra supplies, he said, should not be permitted to drag down farm prices as, he said, is now the case.

Newsom called also for government withdrawal from buying and selling of farm products.

Oak Grove PTA Sees Children's Variety Program

A variety program was presented by children when the Oak Grove Parent-Teacher Association met Friday night at the school near Fredericktown.

It included singing by the Fredericktown Christian Church choir, directed by Miss Nell Toland. Performing were: Charlotte Suffolk, hula hoop number, and Karen Sue Simpson, Kay Simpson, Faye Pickens and Ronda Pickens, tap dance. "Frosty, the Snowman," was sung by Barbara Wolf, Sherry Pease and Debbie Hosetter. Marvin Hosetter was the snowman. Peggy and Barbara Wolf sang "He's Got the Whole World In His Hands."

Program co-chairmen were Mrs. Patsy Pancake and Mrs. Mary Ellen Lee. During a short business meeting, members decided to re-finish the school's cafeteria. Dale Pancake will be in charge of the project.

Coffee, doughnuts and cider were served to 75 by Mrs. Mary Wolf and Mrs. Virginia Schultz. Mrs. Ruth Suffolk will be entertainment chairman for the next meeting Nov. 26 at 8 p. m.

Mrs. Eva Wolfe and Mrs. Louise Huston will be in charge of refreshments.

Ike To Speak On Asian Aid

Goes To Seattle For Colombo Meeting

TACOMA, Wash. (AP)—President Eisenhower travels to Seattle today to outline at the Colombo Plan conference United States plans for continuing anti-Communist economic aid to Asian nations.

The President, who spent the weekend at the home of his brother Edgar, arranged to fly if the weather improves sufficiently. Otherwise he is scheduled to make the trip, about 40 miles, by automobile.

At Seattle, Eisenhower addresses a meeting of top diplomats attending the consultative committee conference of the 18 Colombo nations. His speech also will be carried nationwide on radio.

The purpose of the Colombo organization, set up in 1950 and named for the capital of Ceylon, is to speed the economic development of the politically uncommitted countries of South and Southeast Asia.

From a weather standpoint, the President put in a disappointing weekend in Tacoma. He had planned to play golf Sunday with his parbusting brother, a Tacoma attorney.

But a bone-chilling, day-long rain spoiled those plans and kept the family indoors all day at Edgar's suburban home on the shore of American Lake.

Commissioners Group Backs Water Controls

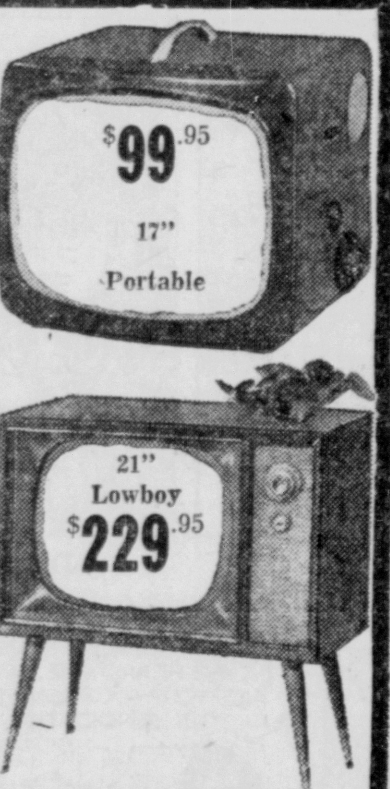

LISBON — The study committee on sewer and water services of the County Commissioners' Association of Ohio recently passed a resolution favoring the establishment of a state water commission, according to a letter received by Columbiana County Commissioners.

The commissioners' study points to the necessity for a statewide plan in the management, use, distribution and storage of water in order to insure the rights of all users throughout the state and at the same time provide an ample supply of "Ohio's most vital natural resource."

The analysis of reports of various state and federal agencies reveals that with proper planning management, Ohio has the potential for providing plenty of water to meet demands in the foreseeable future, the report said. In many areas of the state, water has been dealt with as a commodity and an unjustifiably high price has been paid for its use by large segments of our population, it added.

Florida Man Waits Action In Arms Case

FAIRMONT, W. Va. (AP)—Stuart Sutor, 35, of Hialeah, Fla., faced arraignment here today on charges of interstate transportation of stolen property and violation of the National Firearms Act.

An agent of the Border Patrol Air Intelligence Service arrested Sutor at nearby Morgantown, W. Va., last Tuesday after the Florida man landed a twin-engine plane in which police said he was flying arms to Cuban rebels.

Found aboard the aircraft, the Border Patrol said, were rifles and machine guns stolen from a National Guard armory at Canton, Ohio, in mid-October, as well as other firearms.

Sutor was brought to the Marion County Jail here, and originally was to have been arraigned last Wednesday. A delay was granted because his Miami, Fla., attorney could not get here by that time.

Sutor was taken into custody when he landed at Morgantown to refuel. A squad of Pennsylvania state policemen had just missed seizing the plane at a Tarentum, Pa., airport.

Police said the firearms were loaded aboard the plane there.

Careening Car Hits Structure

Youngstown Driver Suffers Nose Injury

A Youngstown man was injured Friday night when he lost control of his car on Dresden Ave., near the city limits and crashed into a restaurant, police reported.

Thomas Clark, 23, suffered a laceration of the nose and a possible fracture of the left thumb in the crash about 9:30 p. m. He was treated at City Hospital.

Police cited Clark for reckless driving and he forfeited a \$31 bond Saturday in Municipal Court.

Clark admitted traveling north on Dresden Ave. about 60 miles an hour in a 35-mile zone when he lost control. He said he was blinded by the lights of an approaching car, hit his brakes and the car careened into Iona's Restaurant.

Police said a block wall at the restaurant was cracked and two windows broken. Four mail boxes, a newspaper container and two garbage cans also were knocked down by the auto, officers said.

Jack N. Pugh, 18, of Calcutta told police the rear of his Goddard Bakery Co. truck was struck at 6 a. m. Saturday at E. 3rd and College Sts. by a hit-skip motorist who failed to stop while coming off College St. Pugh said he was making a left turn off the bridge when his truck was hit.

Mothers Await Meeting

WEST POINT — The West Point Parent-Teacher Association Mother's Club will meet Wednesday at 1 p. m. at the school.

Killed By Gun Blast

WARREN, Ohio (AP)—Lex Sullivan, 78, and his son, Harry, were having a bitter argument. They were fighting for possession of a shotgun. As another son, Joseph Sullivan, 42, entered the room, the gun discharged and the blast hit him in the stomach. Joseph died of the wound Sunday. The father and son were being held for further investigation by Trumbull County authorities.
